How does this policy pay benefits for network and out-of-network care?

NETWORK BENEFITS

Network providers have agreed to charge discounted rates for covered services. You receive the benefit of discounted services, and pay only your co-insurance portion and any applicable deductible. Plus, network providers will file your claim for you, so you don’t have to deal with the paperwork.

OUT-OF-NETWORK BENEFITS

Out-of-network providers haven’t agreed to discounted rates, and their fees may vary significantly. Your policy’s co-insurance may not cover the total costs of dental care and, in addition to any deductible, you are responsible for any remaining balance. This is referred to as “balance billing” and only happens when you go out of network.
