Step 3 – Upload a Photo Click: **Select Photo for Upload** Choose a photo from your computer.
After uploading, click **Refresh** if the photo does not appear.

The screenshot shows a web browser window with the URL <https://app.zebraweb.org/soos/PhotouploadformSec.asp>. The page header includes the ZEBRAWEB logo and the text "Zebra-Secretary Console" and "Westchester Putnam Basketball Officials Association (IAABO Board 52)". A navigation menu contains links for "Welcome", "Meeting Attendance & Dues", "Committee Ctr.", "Reports", "Zebra Memos", "Documents", and "Administration". The main content area is titled "My Photo" and contains the following text:

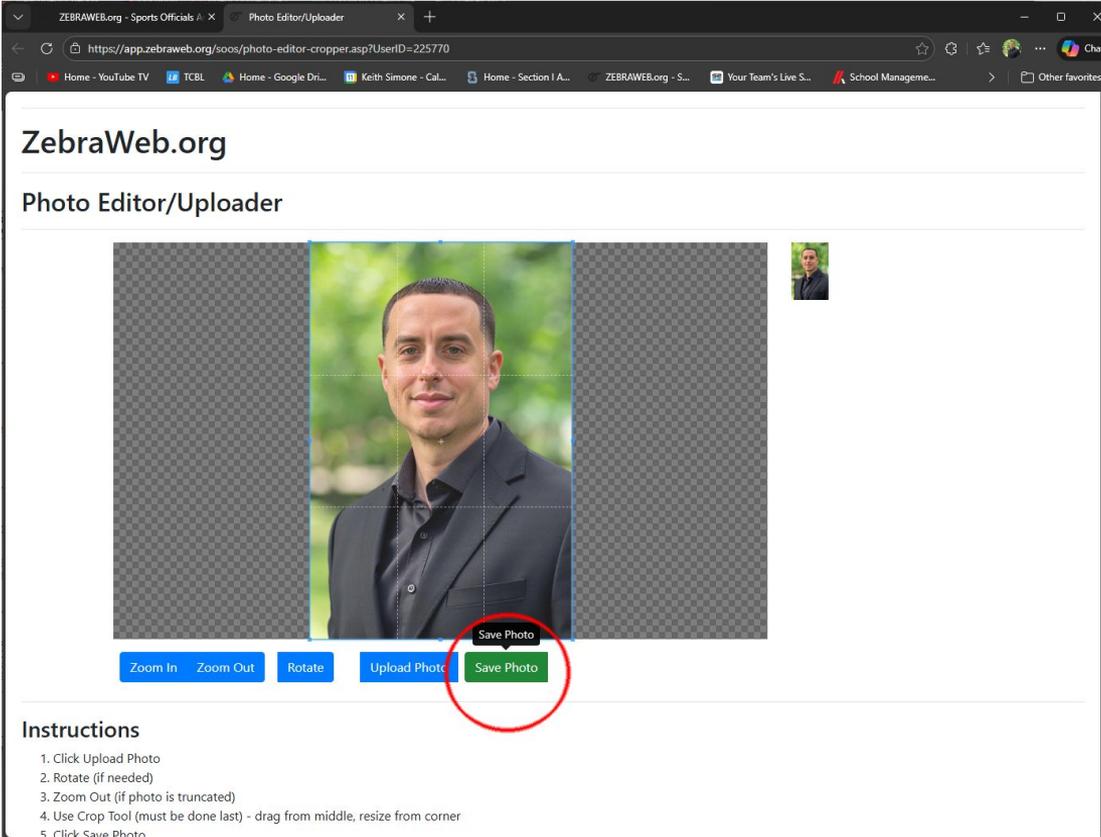

If there is a photo listed below it is the photo for this portal.
(If you are in more than one portal you will need to upload a photo in each.)

A circular profile picture of a man in a dark suit is displayed. Below the photo is a red-bordered button labeled "Select Photo for Upload".

(Click on the Upload New Photo link to upload a new photo)
Click the refresh button after uploading a new photo.

The browser's address bar at the bottom shows the URL <https://app.zebraweb.org/soos/photo-editor-cropper.asp?UserID=2257...>

Step 4 – Crop Your Photo Use the Photo Editor tools: Zoom In / Zoom Out, Rotate if needed, drag to center your face, make sure your face is centered. Click:**Save Photo**

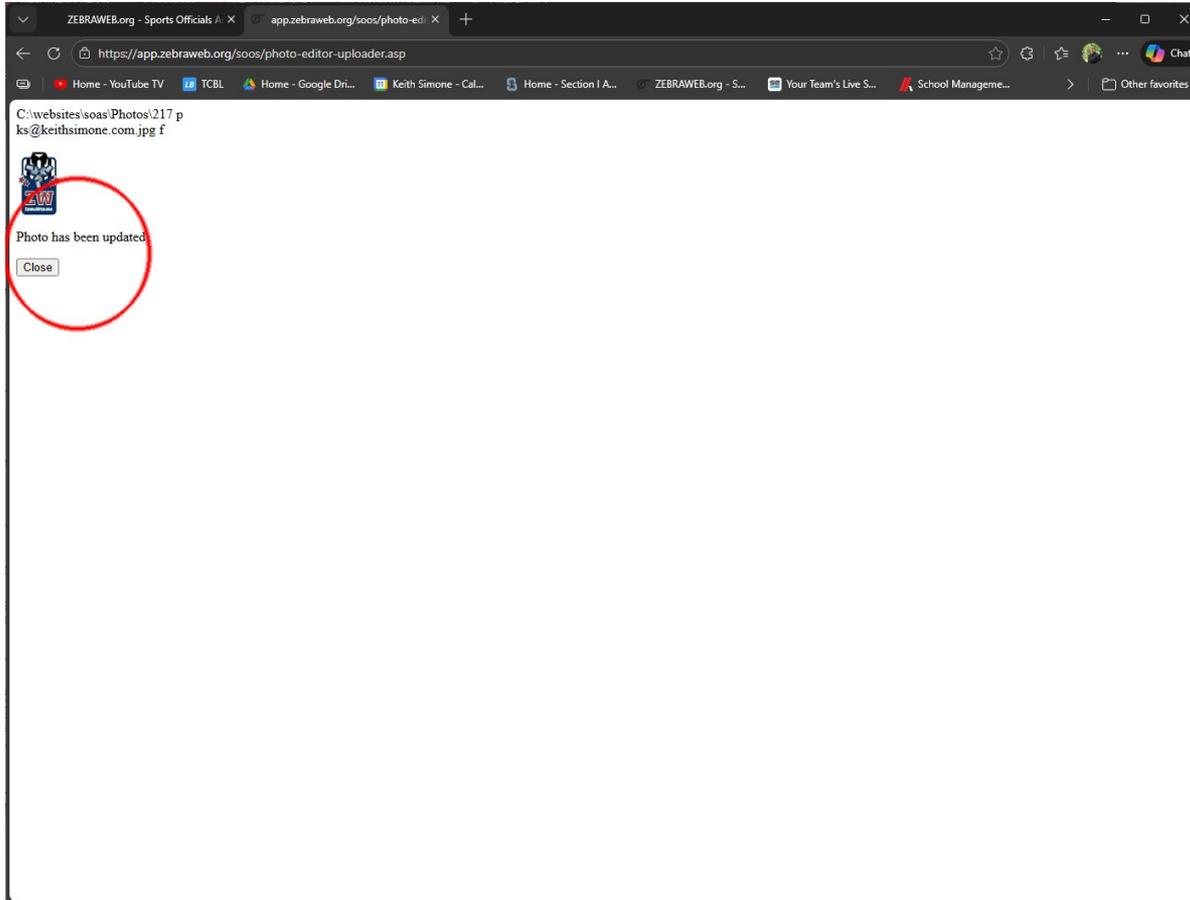

The screenshot shows a web browser window with the URL <https://app.zebraweb.org/soos/photo-editor-cropper.asp?UserID=225770>. The page title is "ZebraWeb.org" and the sub-header is "Photo Editor/Uploader". The main content area features a large photo of a man in a dark suit and shirt, centered on a grey checkered background. A blue dashed crop box is overlaid on the photo. To the right of the main photo is a smaller thumbnail of the same photo. Below the main photo is a row of five buttons: "Zoom In", "Zoom Out", "Rotate", "Upload Photo", and "Save Photo". The "Save Photo" button is highlighted with a red circle and has a tooltip that says "Save Photo".

Instructions

1. Click Upload Photo
2. Rotate (if needed)
3. Zoom Out (if photo is truncated)
4. Use Crop Tool (must be done last) - drag from middle, resize from corner
5. Click Save Photo

You will see: **Photo has been updated**

Step 5 – Confirm Your Photo

Return to: Administration → My Photo

If your photo appears, you're finished.
