Purpose

Funds are solicited for sliding scale fund. All of our services are billed at a flat rate of \$50 per hour. However, we understand that some families may face financial barriers to accessing the support they need. That's why we offer grant funds to cover a portion of the cost for all families earning less than 200% of the Federal Poverty Limit. This means that even if families are on a tight budget, they can still receive high-quality educational support.
