Watch Us Grow

Back to School Book Drive for Literacy and Sustainability

August 2025

Our Book Drive will help keep books out of landfills while also raising funds for essential supplies for our students. By donating gently used books, you'll support literacy and sustainability. We will provide collection points around the community and encourage families to donate and support students in need.

Annual Scarecrow Competition

October 2025

Mark your calendar for our 5th Annual Scarecrow Competition in October! This family-friendly event will bring our community together to celebrate creativity and raise funds for our scholarship program. The proceeds will support ongoing scholarships for dyslexia therapy, making it possible for even more students to receive specialized services that empower them to reach their full potential.

Literacy Conference

October 2025

We will host a dyslexia conference October 16-17, 2025 in downtown Meridian. We will be focusing our attention on dyslexia intervention across all grade levels k-12 and across all curriculum, including language arts, science, social studies, math, and elective areas such as the arts. We want everyone in a child's educational journey to be as equipped as possible to help make that journey a successful one. We will host local, regional, and national speakers and vendors, including a highlight of a local artist who shares her own story of dyslexia.
