* **Retaining 1/3 Semen Interest.** Buyer will have full walking rights and salvage value of bull. Shepherd Charolais retains the right to collect semen at the sellers expense and buyers convenience.

+ **Genetic Condition Statement-** Recognizing that Bovine Progressive Ataxia (PA) is a confirmed genetic condition present in the Charolais breed, Shepherd Charolais sought to provide results on some of the Charolais offering in this sale. These bulls have been tested for results, please contact Sara. PA is a recessive disease that causes incoordination. Please note that Shepherd Charolais has not had any animal test PA Affected.
