Line Producer, Production Manager and Producer with over a decade of international experience across scripted, unscripted and feature productions in Canada, the UK and globally, including Africa, the Caribbean and the Middle East.

Experience working with major broadcasters, studios and streamers including BBC, Disney/ABC, Apple TV+, Prime Video, Bell Media and Discovery, managing concurrent productions from development through post with a focus on budgeting, scheduling, cost reporting and delivery.

Known for building production systems from the ground up and introducing structures that make productions run better. Experienced in managing multi-show slates, complex international logistics and cross-functional teams across every stage of production.

Currently line producing a Bell Media and Discovery series and completing PMP certification.

KEY SKILLS

- ✓ Budgeting and cost reporting (Movie Magic, Excel, E-Cat)
- ✓ International production setup and management (Canada, US, UK, Africa, Caribbean, Middle East)
- ✓ Union and non-union productions (IATSE, ACTRA, DGC, SAG-AFTRA)
- ✓ Permits, immigration & travel logistics for cast, crew, and gear
- ✓ Broadcaster delivery and paperwork (Canada, US, UK, and international networks)
- ✓ Contracts, invoicing and payment systems (QuickBooks, DPO, SAP, PMI, AODocs)
- ✓ Multi-show and slate production management across concurrent series
- ✓ Hiring & managing national & international crew and vendors
- ✓ Production leadership across cross-functional teams, departments and time zones
- ✓ Production software: Movie Magic, Excel, Smartbook, Croogloo, Scenechronize, Silvermouse
- ✓ Experience with high-profile talent and children's content (BBC, ACTRA compliance)
