

# Be Different PEACEFUL REST

JULY/AUGUST 2019

*Greetings Family of Faith,*

I pray that all is well with you. A story was told of an American preacher and an African preacher. The American pastor was so amazed by the passion for God he saw in Africa. He asked the African pastor where does the passion come from? He replied, "I feel sorry for your country. You all have so many distractions but all we have is God."

Millennials are at a great point in history with the many technological advancements we have at our disposal. However, these same advantages can also become a hindrance to our walk with God when they are time consuming.

Many young people are looking for ways to grow, serve, and care but they aren't sure where to start or feel they don't have enough time to do so. It's important that we commit our time to God in this season. Our time to lead the church is now. This is why we're excited about the FRESH initiative at our church. Here we have the unique opportunity to grow, serve, and care. It is an opportunity for all millennials to become the church they desire to see.

#FRESH will launch July 28, 2019 at 10:00 am. There will be several events leading up to that day. We pray that everyone looking for more ways to become more active in our ministry would find it here at #FRESH.

We're anticipating the great things God is doing in the life of our ministry! Let's start #FRESH!

With Love,

*Steffon Jones*
