By Ted Guerra

*Merry Christmas and
Happy New Year*

*From Ted, Allura and Sienna
Guerra*

Howdy Neighbors,

The JNA Officers and Board Members wish all our members, neighbors, and their families the warmest of greetings and best of wishes during the holiday season.

We have much to be grateful for, particularly all of our neighbors and the people who make this such a wonderful community.

We often hear about the acts of kindness you do for one another in the community. We often see the hard work you do in your yards, and we hear about your lives on [Jefferson's Facebook page](#).

We love where we live because we believe we are surrounded by some of the best people in the world. May you enjoy the company of the ones you love and may you be blessed with peace and joy through the holiday season and the new year.

We look forward to seeing you at our annual Holiday Potluck Social on Monday, December 14, 2022 at 6:30 pm at YWLA.

Sincerely,

The Jefferson Neighborhood Association Officers
and Board Members

A SAFETY MESSAGE FROM THE SA FIRE DEPARTMENT

S. smoke alarms: They should be installed on every level of the home, inside every bedroom, and outside each sleeping area. Test all smoke detectors at least once a month.

C. clear the path of escape: Hoarding puts first responders in harm's way, increases the risk of fire, and impedes the search and rescue of people and pets.

A. action plan: Create a fire escape plan, and practice with all the members of your home. Also, make sure every room has two ways to escape, and create a family emergency communications plan.

N. neighbors: Reach out. Identify neighbors you feel may be vulnerable to fire dangers, then safely and kindly do your best to connect. Also, remember to help check your vulnerable family members living spaces frequently.

For more information and detailed instructions on safety plans and community resources including safety checks and smoke detectors visit:

A LETTER FROM D7 COUNCILOR ANA SANDOVAL

The holidays are right around the corner, but you still have time to get vaccinated and help maintain your and your loved ones' well-being!

Metro Health is encouraging all of us to take safety measures to prevent the spread of the flu, especially now that it's fall. The CDC also recommends that everyone six months and up get the flu vaccine every season.

The flu vaccine works to train your body to recognize and attack the flu if you are exposed. It reduces the number of flu cases and minimizes the severity if you do catch it.

It's also time for the new COVID-19 booster! This new dose is a bivalent COVID-19 vaccine booster shot, which means the formula will protect you against new variants. This is your maximum protection from the virus, and the best way to keep your community healthy.

Find flu and COVID-19 vaccines near you at vaccines.gov!
Yours in public service,

Ana Sandoval

THOMAS JEFFERSON HS “LASSOS” ROPING TOGETHER LEGACY AND COMMUNITY

By Joe-Beth Kirkpatrick, Secretary of the TJHS Lasso Alumni Association

The Lassos, Thomas Jefferson High School's corps of trick-ropin' students, are taking their performances beyond student athletic events and SAISD boundaries.

The Lassos recently performed at the invitation-only *Hosts International Convention* at the Majestic and Empire Theaters; festivals in Sutherland Springs and Seguin (where they won awards in both parades); the Franklin Residence senior home; and St. Paul Catholic Church's fall festival.

In December, the Lassos will perform at a Spurs game, and then, on Dec. 17, the Lassos will exhibit their skills at the Alamo Lights holiday celebration.

It's a delight to see these students representing TJHS and our neighborhood. It's also a delight to know that they've worked hard to build and hold this great reputation that continues a 90+ year tradition. Since 1932, the Lassos have served our communities by preserving culture—one performance at a time.

Here's looking forward to a busy spring, the training of new Lasso applicants (get those ropes ready!) and more community performances.

We invite all former lassos to our annual, general meeting on December 4th. For details and other information, visit www.lassos.org. Come and find out the many ways we help our girls.

The Lasso Alumni Association wishes everyone a wonderful winter holiday.

YOU SPOKE AND WE LISTENED

by Dominic Gonzalez, JNA Secretary

At our November meeting, we heard from our SAFFE officer, CPS Energy, Public Works, and our representatives. We also elected our new vice president, Larissa Fields.

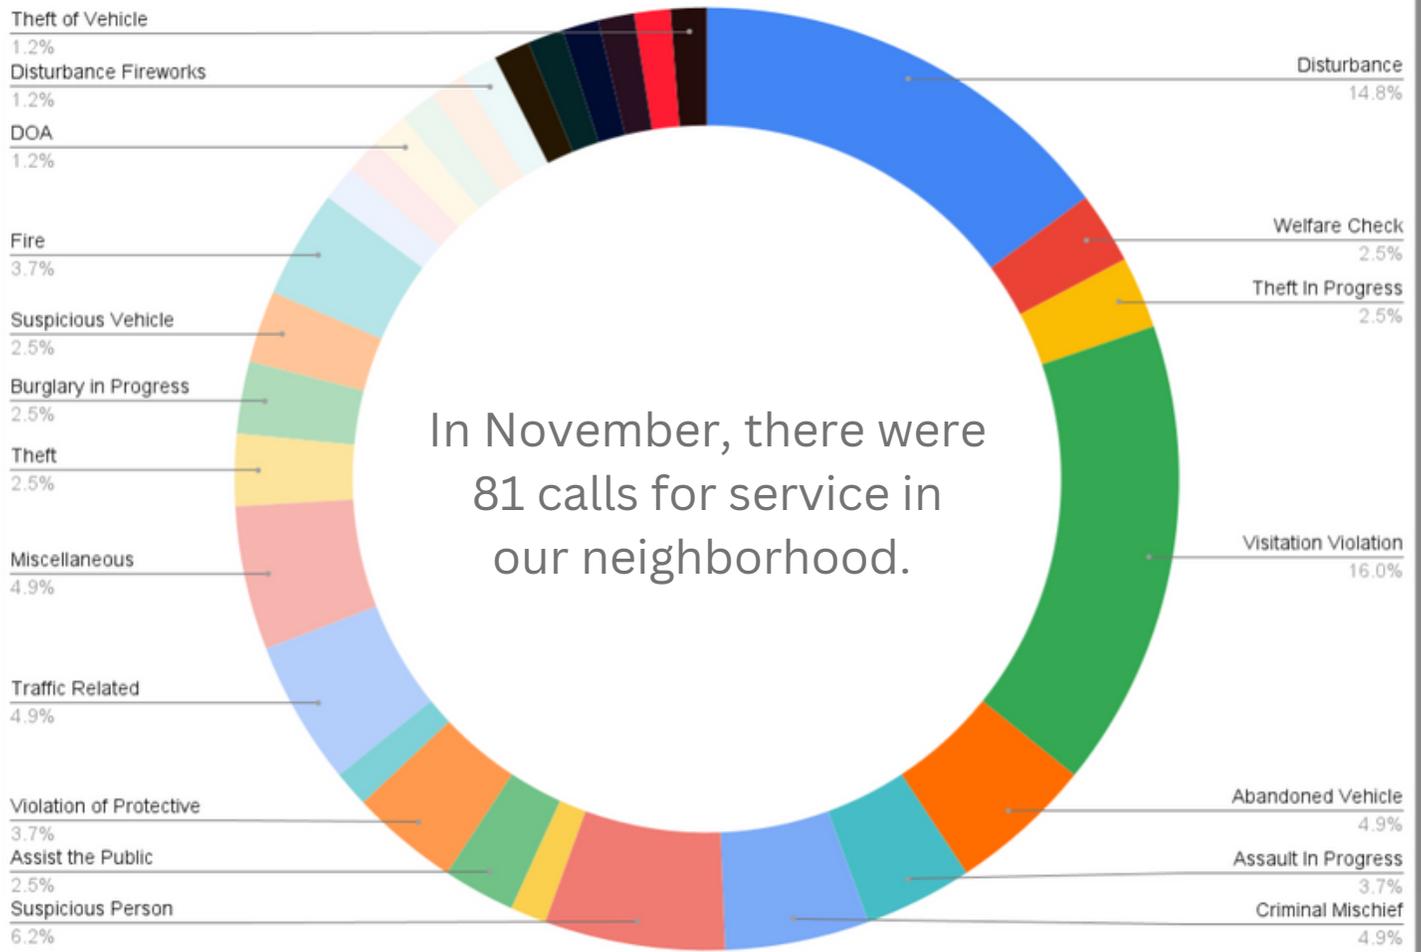

But, just as important, we opened the floor for general discussion, and we heard from the neighbors.

The 'neighbors to be heard' session of our meeting allowed for us to share just about anything: special announcements, issues in the neighborhood, feedback for officers and board members, and so on.

Some neighbors suggested adding crime data to the newsletter. I talked with the board about this and they liked it. So, it is now a feature! On the next page, you will find a chart of November's police calls for Jefferson broken down into percentages. (I'm still designing it; sorry about the tiny font).

Thank you again for sharing. We look forward to hearing more input.
