### 2021 Scholarship Winners Announced

Congratulations to the 2021 winners of the Evelia Reyna JNA Scholarship program.

Thanks to a donation from the **Dr. Ande Tokoly\*** estate, a total of \$5100 in scholarships was given to the winners.

The winners are:

**Angelina Salinas-Sosa**, accepted to Texas Tech University in Lubbock.

**Desiree Faith Lopez**, also accepted to Texas Tech.

**Eunice Rodriguez**, accepted to UTSA.

Each recipient received \$1700.

Members of the scholarship committee included **Toni Cadena, Elia Reyna** (whose mother the scholarship is named after), **Judy Jackman, Patti Garcia** and **Lynn Waghalter**.

In addition to the scholarship awards, the JNA board approved donations to these area non-profits:

**The Salvation Army Peacock Nutrition Center.**

**The Battered Women’s Shelter.**

**Animal Care Services.**

**Girl Scouts of the Southwest Development Center.**

**Haven For Hope Development (Jackie Wingo).**

**The San Antonio Food Bank.**

Each received \$300.

Also, the JNA gave a \$150 Lowe’s Gift card to the Jefferson Community Garden project.

Your dues helped finance these donations. Thank You.

### JNA Connects With The Benevity Community Impact Fund

Because of a donation from the **Reyna** family, the JNA has connected with The Benevity Community Impact Fund headquartered in Safety Harbor, Florida.

The net donation totaled \$987.00.

A donation to the scholarship fund from **Elia’s** niece was matched by her employer. That money, along with money from the **Dr. Ande Tokoly** estate, enabled the JNA to give not only monies to this year’s scholarship winners, but also to the other non-profits listed on the left side of the page.

From their website: When we built our corporate purpose platform for companies, we also built the first nonprofit solution in the space.

We invest upwards of \$10 million a year in providing nonprofits

with the most robust digital portal, the Benevity Causes Portal, as well as dedicated support and a unique disbursement model that brings more scale and efficiency to their work.

And we regularly consult with nonprofit leaders via our Benevity Nonprofit Community Council (BNCC) to improve our ecosystem and products.

So when you choose Benevity, you’re choosing to transform the social landscape with technology that empowers nonprofits to create more impact, with less effort, than ever before.

*Hi!* I am your neighbor, Camille Rodriguez Brigant, over on Gramercy. I am also **a realtor specializing in our unique neighborhoods**. If you have been considering selling your home, I would love to introduce you to my new boutique brokerage, *Motif*.

I decided to start Motif to expand on the **truly customized, personal touch** I have developed with my clients over the years. I have seen so many clients frustrated by the one-size-fits-all approach used by big conglomerate agencies. I look at each of my clients with fresh eyes, and create an innovative, specialized strategy that serves YOU.

**Born and raised in San Antonio**, my first job was working in my mother’s real estate company. After graduating from Princeton University, I worked in both residential and commercial real estate on the West Coast and Louisiana before returning home to focus on our community. I am a supporter of many local art, conservation, and historic preservation groups. I am also both a Senior Real Estate Specialist and a Historic Homes Specialist.

**Historic homes have such character - but they possess their own set of challenges**. I can accurately price your home, target buyers who appreciate the vintage charm of older homes, help navigate the contract, inspections, appraisal, and lender requirements our unique homes require. Repairs are common, and Motif has a network of affordable, reliable contractors to make this process go smoothly.

If you are interested in a local expert with personalized services, I look forward to hearing from you.

**Do you have just one hour per week? One hour per week to make a difference in someone's life?**

**San Antonio Oasis Person to Person** is looking for volunteers to spend time with residents at Morningside Manor. We are looking for people who will spend their time with a resident, listening, talking to, and sharing life experiences.

# News from County Commissioner Pct. 2 Justin Rodriguez

Dear Friends:

Commissioners Court approves \$150,000 to continue **AlamoPROMISE**.

The program makes college more accessible to graduating seniors by providing the support necessary to earn a certificate or associate's degree at one of the five Alamo Colleges:

Northeast Lakeview College, Northwest Vista College, Palo Alto College, San Antonio College, and St. Philip's College.

It ensures that tuition and fees at the Alamo Colleges are covered for students who graduate from participating high schools.

The Save Your Seat pledge period is now closed for the graduating senior class of 2021 from participating Promise high schools.

Students who 'saved their seat' to lock in the promise of tuition-free college starting in Fall 2021 are still eligible for **AlamoPROMISE** and

can submit admissions and financial aid applications to be part of the next class of **AlamoPROMISE** Scholars.

## DISTRICT 7 NEWS

A group of citizens, including current and former Thomas Jefferson students attended the ribbon cutting at the Thespian Island on June 1. (Pics on pg. 9)

Money for the restoration came from a 2017 bond package.

The Island is located on Donaldson at Kampmann.

The City Council committee on Community Health & Equity completed recommendations on how to improve the work of the San Antonio Police Department.

The recommendations now go to the Public Safety Committee for their consideration.

Part of the recommendations includes expanding the department's SAFFE Officer program, giving officers more alternatives to guns, and creating a forum

for the community to give feedback to the department.

These are only a starting point. I expect that they will go through a lot of reviews before any are implemented and look forward to discussing them with my colleagues when we craft next year's City budget.

Animal Care Services is always in need of fundamentals like formula and food, but the shelter can also use covers and other supplies to help care for litters that are coming into the shelter.

Donations can be dropped off anytime seven days a week during regular business hours. ACS is open 1 p.m. to 7 p.m. Monday through Friday and 11 a.m. to 5 p.m. on weekends.
