Hunter x Hunter is a popular manga series by Yoshihiro Togashi that has been adapted into two anime series and several OVAs. The manga follows the adventures of Gon Freecss, a young boy who wants to become a Hunter, a special profession that involves exploring the world, hunting rare creatures, and finding hidden treasures. Along the way, he meets other Hunters and faces many dangers and challenges. The manga is divided into eight official story arcs, each with a different theme and plot. The story arcs are: - Hunter Exam arc: Gon takes the Hunter Exam, a rigorous test that only a few can pass. He meets his friends and rivals, such as Kurapika, Leorio, and Killua, and encounters the mysterious Hisoka. - Zoldyck Family arc: Gon and his friends go to rescue Killua, who has been taken back to his family of assassins. They have to face the formidable Zoldyck guards and Killua's strict mother. - Heavens Arena arc: Gon and Killua enter the Heavens Arena, a tower where fighters compete for money and fame. tobawu They learn about Nen, a hidden power that enhances one's abilities, and fight against strong opponents, such as Wing, Zushi, and Hisoka. - Yorknew City arc: Kurapika joins the Nostrade family, a mafia group that is involved in the auction of rare items. He seeks revenge against the Phantom Troupe, a band of thieves that massacred his clan for their scarlet eyes. Gon, Killua, and Leorio also go to Yorknew City to help Kurapika and get involved in a deadly conflict. - Greed Island arc: Gon and Killua enter Greed Island, a game-like world that is actually a Nen construct. They search for clues about Gon's father, Ging, who created the game, and face many dangers and enemies, such as the Bomber, a player who kills others for their cards. - Chimera Ant arc: Gon and Killua join a team of Hunters to stop the Chimera Ants, a new species of insects that can consume humans and gain their traits. They encounter powerful foes, such as the Royal Guards and the King, and face moral dilemmas and sacrifices. - 13th Hunter Chairman Election arc: After the death of Netero, the previous Hunter Chairman, a new election is held to choose his successor. Gon and Killua reunite with their friends and meet new characters, such as Ging, Pariston, and Alluka. They also deal with the aftermath of the Chimera Ant arc and the consequences of their actions. laronujece - Dark Continent Expedition arc: The Hunters Association prepares to explore the Dark Continent, a mysterious and dangerous land that lies beyond the known world. Gon and Killua part ways, while Kurapika and Leorio join the expedition team. cama They face new threats and secrets, such as the Five Great Calamities and the origin of the Chimera Ants. - Succession Contest arc: The expedition to the Dark Continent is delayed by a succession contest among the princes of the Kakin Empire, who are on board the Black Whale, a massive ship that carries the expedition team and thousands of civilians. Kurapika becomes the bodyguard of one of the princes, while the Phantom Troupe and Hisoka also infiltrate the ship. A deadly battle ensues, with Nen abilities, alliances, and betrayals. The manga also has some chapters that have not been collected into volumes yet. They are serialized in Weekly Shonen Jump, a popular manga magazine. Additionally, there are some special chapters and crossover projects, such as Jump MV, a music video featuring Hunter x Hunter and a song by Sakurazaka46. If you want to know more about the Hunter x Hunter episodes, you can check out the following links: - Hunter x Hunter (1999 TV series): The first anime adaptation of the manga, covering the Hunter Exam arc to the Greed Island arc. necuge - Hunter x Hunter (2011 TV series): The second anime adaptation of the manga, covering the Hunter Exam arc to the 13th Hunter Chairman Election arc. - List of Hunter x Hunter OVA episodes: The original video animations that continue the story of the 1999 anime, covering the Yorknew City arc and the Greed Island arc. Hunter x Hunter Manga Episode Guide Hunter x Hunter is a manga series written and illustrated by Yoshihiro Togashi. It follows the adventures of Gon Freecss, a boy who wants to become a Hunter, a special title for those who have proven themselves in various fields of expertise. Along the way, he meets other aspiring Hunters and faces many challenges and enemies. The manga is divided into several arcs, each with its own plot and characters. Here is a brief summary of each arc: - Hunter Exam arc: Gon takes the Hunter Exam, a series of tests that require physical, mental, and moral skills. He befriends Kurapika, Leorio, and Killua, who also aim to become Hunters. xecixixo He also encounters Hisoka, a dangerous and mysterious opponent who sees Gon as a potential rival. Killua fails the exam due to his family's interference and leaves with Gon to rescue him. - Zoldyck Family arc: Gon and his friends travel to the Zoldyck estate, where Killua is held captive by his assassin family. They manage to free Killua and reunite with him. - Heavens Arena arc: Gon and Killua train their Nen, a form of supernatural energy that allows them to enhance their abilities and perform various feats. They enter the Heavens Arena, a tower where fighters compete for money and fame. They face Hisoka again and learn more about his motives and powers. tuzerilu - Yorknew City arc: Kurapika joins the Nostrade family, a mafia group that is involved in the auction of rare and valuable items. He seeks revenge against the Phantom Troupe, a band of thieves who massacred his clan for their unique eyes. fadozokolavina Gon, Killua, and Leorio also arrive in Yorknew City and get involved in the conflict between the mafia and the Troupe. - Greed Island arc: Gon and Killua enter Greed Island, a video game that uses Nen and transports the players to a real island. wasaca They hope to find clues about Gon's father, who created the game. They meet Biscuit, a Nen master who becomes their mentor. They also face the Bomber, a player who kills others for their cards. The Phantom Troupe also enters the game, looking for a way to restore their leader's Nen, which was sealed by Kurapika. - Chimera Ant arc: Gon and Killua join a team of Hunters who are sent to deal with the Chimera Ants, a species of insects that can consume and assimilate other creatures. The Ants are led by the King, who seeks to dominate the world. Gon and Killua face many dangers and hardships, as well as new allies and enemies. They also discover the true nature of their Nen and their feelings. - 13th Hunter Chairman Election arc: After the death of the previous Hunter Chairman, Netero, an election is held to choose his successor. Gon and Killua reunite with Leorio and Kurapika, who are also candidates. They also meet Ging, Gon's father, who reveals his reasons for leaving Gon and his involvement in the Hunter Association. The election is complicated by the presence of Pariston, a manipulative and charismatic Hunter who has his own agenda. - Dark Continent Expedition arc: The Hunter Association prepares to explore the Dark Continent, a mysterious and dangerous land that lies beyond the known world. Gon and Killua part ways, as Gon decides to stay on his home island and Killua travels with his sister, Alluka, who has a mysterious power. Kurapika joins the expedition as a bodyguard for the Kakin royal family, who are also involved in the voyage. The arc is still ongoing and has not been adapted into anime yet. - Succession Contest arc: A sub-arc of the Dark Continent Expedition arc, it focuses on the succession war among the fourteen princes of the Kakin Empire, who are on board a giant ship that is heading to the Dark Continent. Kurapika is assigned to protect the youngest prince, Woble, who is targeted by the other princes and their Nen users. The arc is also still ongoing and has not been adapted into anime yet.
