Pay Your Dues

Make sure to pay your yearly dues. They help us to be able to operate our website, as well as host things like the advisor meeting and the state convention. Follow the link for the invoice.

SPOTLIGHT ON VOLUNTEERING

CRISIS NURSERY OKC

We offer emergency care for children in times of crisis.

There are never any fees for families to utilize the Nursery.

We understand not everyone has a village around to utilize when emergencies arise.

In addition to caring for children, we also equip families with necessities during emergency situations such as clothing, diapers, formula, car seats, or any other necessities.
