Tournament

1. Who can enter?

Any National 600 Club member. If not a member, submit application with entry form.
Also must be a USBC member.

2. Where is tournament?

This is the good part. You don't have to travel. You use league scores. Can't go wrong.

3. When is tournament?

January 19 – February 8, 2025. This is for 3 weeks but you use your highest series from that 3 week period. So, you get 3 chances for every entry. What other tournament does that?

4. What is the cost?

It is \$10.00 per league per division. Example: If you qualify for the senior division or the super senior division and you bowl in just one league and you want to enter those scores in both a regular division and a senior division, it would be \$20.00. But if you only want to enter one of the divisions, it would be \$10.00.

5. Is the tournament scratch or handicap?

Here is another good thing for this tournament. There is a division for everyone. It is handicap but we do have one scratch division that includes all averages. So we have 6 divisions.

Division SCR - Scratch Division (this includes all averages, there is not separate scratch divisions for averages)

Division A – 180 average and above with handicap

Division B – 179 thru 165 inclusive with handicap

Division C – 164 and under average with handicap

Division S – Ages 55-69 with handicap (Proof of age required)

Division SS – Age 70 and over with handicap (Proof of age required)

6. What average do I use?

The average you use is the average as of date of participation. So when I receive your scores and your recap sheet (which is required), I use the average that is on the recap.

7. What is the handicap used for this tournament?

Handicap is 90% of the difference of 235 less your average.

8. What is the pay ratio?

Prize fund is returned 100% and will be based on at least one cash award for every five entries.

Please tell your fellow 600 Club members about the tournament. Feel free to make copies of the entry form. If your entry is postmarked by November 30, your name will be entered in a drawing for a quilted Christmas table runner.
