### REFLECTIONS FROM LAMBDA LAND

As we close out our final issue of 2025, it's the perfect time to reflect on everything we've shared in Lambda Land this year. From service projects and sisterhood outings to those unforgettable laughs and late-night talks, every moment reminded us why being a Lambda lady is so special. We've grown together, supported one another, and made memories that will last long after this sorority year ends. As we step into a new year, let's carry that same love, light, and sisterhood with us—because once a Lambda, always a Lambda! Cheers to 2026 and all the new memories waiting to be made!♥♥
