# About Amber Auksas

Tired of the limited, overpriced options for genuine Baltic Amber here in the United States, Amber "Gintarė" Gray, a US veteran, through her Lithuanian roots, tapped into her connections at the source & April 2017, Amber Auksas was born. Starting with selling just a few teething necklaces in her community to she now boasts the largest collection of Lithuanian Baltic Amber on the continent with a customer base around the world! Amber is deeply passionate about making genuine Baltic Amber accessible & affordable to both retail & wholesale clientele without compromising quality, selection or personalized service! In fact, you will be hard pressed to find another company which can match the extensive benefits Amber Auksas can offer!

# The Amber Auksas Difference

- Massive selection of unique styles and sizes
- Super low MOQs with some of the lowest wholesale pricing to be found in North America
- Top safety standards in the industry
- Unsurpassed lab testing & certification for authenticity
- Top rated, stellar reputation across all platforms & the only brand endorsed by the International School of Gemology for 100% authentic Baltic Amber
- You use your own branding & set your own pricing
- ALL pieces include beautiful unbranded tags & certificates of authenticity for your professional retail presentation
- Handmade with love by Amber's personal family friends in rural Lithuania, not mass production factories
- FREE amber education & lifetime support
- Options to make your own pieces or offer repair services
- Supporting in part Lithuanian & disabled veteran mission projects

## How to Order?

---

Because every customer's request is unique, please contact me directly to discuss your needs and from there, I can answer any questions and we can build your customized wholesale Baltic Amber bundle! In the mean time, I encourage you to have a look around my retail shop and get a feel for what you are looking for. I will carefully go over all details and pricing with you prior to payment. I also provide photos to confirm your order prior to shipment. A true personalized VIP amber experience with a lifetime of support is how I run my business.

### Shipping

Shipping is calculated according to total weight of the order. Amber is lightweight, so it is not expensive to ship. I do ship worldwide from Poth, Texas!

### Payment

Secure payment is arranged through my website or I can accomodate Paypal or Zelle by special request.
