

How to place a deposit using PayPal

PayPal **accepts credit cards**

if you use your own PayPal account you may owe more at pickup

PayPal fee being deducted from the amount paid

example: \$300-\$9 fee = \$291 being applied to the amount for puppy purchase.

If not placing your deposit immediately then you will need to check to see if the puppy is still available for sale before placing your deposit. Or the pick placement may change.

As long as the puppy is posted for sale on the website anyone can make that puppy theirs, it is the deposit that makes the puppy yours.

We will email your eBook and/or pick place once the deposit has been placed.

PayPal emails out a receipt.
