

A BRIEF BIO

Grand Sheik Willam Bey, M.S.T. California

Islam,

William Osiris Amurru Bey is a dedicated community leader and educator hailing from the vibrant city of Oakland, California. With a passion for fostering positive change and empowerment, he serves as the Assistant Grand Sheikh for the Moorish Science Temple of America.

For over two years, William has demonstrated exceptional leadership skills within the Moorish Science Temple, actively contributing to the organization's mission of uplifting the community. His commitment to the betterment of society is evident through his adept organization of fundraisers and community programs, which are designed to provide vital support to those in need.

Beyond his role as an Assistant Grand Sheikh, William Amurru Bey is a respected Physical Education teacher, inspiring his students to lead healthy and active lives. His educational background and experience have equipped him with a deep understanding of the importance of physical well-being and the value of imparting these principles to the next generation.

William's dedication to community service and his adept leadership have earned him a reputation as a compassionate and effective advocate for positive change. His roots in Oakland, a city known for its diversity and resilience, have undoubtedly influenced his unwavering commitment to fostering unity and progress.

In both his capacity as an Assistant Grand Sheikh and a Physical Education teacher, William Osiris Amurru Bey continues to exemplify the principles of service, leadership, and community engagement. His multifaceted contributions make him a driving force in the journey toward a stronger and more empowered society.
