

Moorish Times

Love | Truth | Peace | Freedom | Justice

“It will be his works that will make men of every nation accept the truth that he brings. It will be through his teachings that the nations of the earth will understand the will of the Master; it will be through him that "Peace on earth and good will to all men" shall come. It will be through his work that humanity will be brought from the slime of life and placed on the solid rock of salvation.”

“Truly this Prophet Noble Drew Ali is the man, bringing with him the message of Love, Truth, Peace, Freedom, and Justice, which alone can save the nations.”

The Moorish Science Temple of America - Hawai'i

is demonstrating in a manner that is in line with “The Moors or Mohammedans added to the beauty and grandeur of Spain....” Mohammedanism makes no distinction between high and low, rich and poor; it is like the sky, it has room for all.” Our Moorish American brothers and sisters in Hawaii are adding to the beauty and grandeur of Hawai'i by making their footprints clearly cut by adopting a portion of highway. These excerpts from “Moorish Leader's Historical Message to America” by Prophet Noble Drew Ali and, “That the world may hear and know the truth, that among the descendants of Africa there is still much wisdom to be learned in these days for the redemption of the sons of men under Love, Truth, Peace, Freedom and Justice” (Chapter 48:5 of the Circle Seven Koran) are some quotes that inspire Moslems who are moving divinely in the Uniting of The Moorish Science Temple of America founded by Prophet Noble Drew Ali.

Coconuts by Sheik King

Bismillah Nur Rahman Nir Rahim

First, I rise high giving perfect praise to Allah. I give Honors to Allah's Prophets. Recently, Moorish Science Temple of America California Temple No. 1 visited The Alhoa Moorish Retreat Center, hosted by The Moorish Science temple of America HAWAI'I. A little backstory, to stay hydrated I drink coconut water. I frequently am in my local grocery for that very purpose. Now, recently upon visiting HAWAI'I I was able to get fresh coconuts. Tasting them I saw no immediate difference in the taste from the ones I drink normally. However, upon my return home I was in the process of getting back into my daily routine, so naturally I open a coconut water and began to drink it. To my surprise, there was extreme difference in taste I could taste all the chemicals put into the coconut water to keep it supposedly "fresh" and "natural". Upon meditating I realized that I only realized the difference because I was able to experience the natural flavor of coconut water during my trip.

This realization brought an intense wave joy as I realized that I was living in darkness and Praise be to Allah, Allah guided me to Islam and the Holy Quran of Mohammad. Living in darkness prior to finding Islam, I now truly appreciate and Love the light of Islam. Glory be to Allah for guiding and teaching man what he knows not. I see the difference in my life and the lives of those around me since returning to Our ancient forefathers Divine Creed and Principles, which is Islam!

Praise Allah for Coconuts 🥥 🕌 🇲🇵 ✨ 🙌

"He or she must be of good moral standard and a heart of love and their works must be of Love, Truth, Peace, Freedom and Justice. They are to imitate the Prophet in speech and teaching in any said Temple." - Prophet Noble Drew
