### PROPHET's Birthday

"What is the metaphysical meaning of the Son of God?"

**M**etaphysical meaning of Son of God (rw) Son of God-The fullness of the perfect-man idea in Divine Mind, the Christ. The true spiritual self of every individual. The living Word: the Christ idea in the Mind of God. The Son ever exists in 'Mind of God'."

### **THE PROPHET NOBLE DREW ALI IS REPEATING HIMSELF THROUGH FAITHFUL MOSLEMS OF ACT 7 HOLDING HIM UP**

On January 8, 2024, Members of the United Moorish Science Temple of America are Grateful for their Honorable, Illustrious, and Great Prophet Noble Drew Ali as they celebrate His Life with Peace and Happiness for all He brought Humanity. “The Holy Prophet Noble Drew Ali told the Moors, **“I brought you everything it takes to save a nation take it and save yourself.”** When He said that, the Prophet was **holding up** a Holy Koran of the Moorish Science Temple of America and a Questionnaire to show us the books we need to save ourselves with. “His footprints are clearly cut. Our Moorish American & Universal Prophet Noble Drew Ali was demonstrating that we now have, as a clean and pure Nation, the right **Body** Politic of “We the People”/ Nation (Our Society of Faithful Moorish American Moslems) armed with the Key of Civilization: The Divine Creed of their Original Father and Mother who walked, lived and demonstrated what it meant to be in the image and after the likeness of the Great God-Allah. **“What your ancient forefathers were, you are today without doubt or contradiction.”** (Circle 7, Ch 48, Key 10) He taught His People (Us, the Asiatics in America) to “Know Thyself and Thy Father God Allah.”

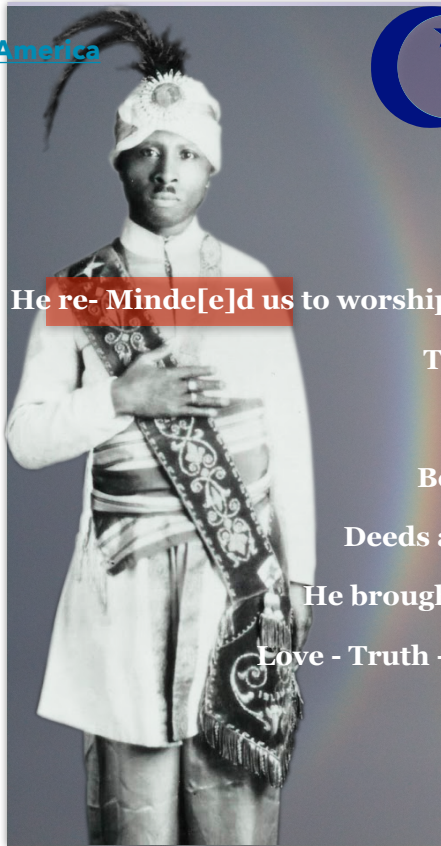

In studying ourselves we see the Divinely prepared works of Noble Drew Ali in “All authority and rights of publishing of this pamphlet of 1927” along with “The Moorish Science Temple of America deriving its power and authority from the Great Koran of Mohammed to propagate the faith and extend the learning and truth of the Great Prophet of Ali, in America. To anoint appoint, and consecrate missionaries of the prophet and to establish the faith of Mohammed in America.” The faith of Mohammed is Islam. The Circle 7 divinely instructs that, **“All nations of the earth in these modern days are seeking peace, but there is but one true and divine way that peace may be obtained in these days, and it is through Love, Truth, Peace, Freedom and Justice being taught universally to all nations, in all lands.”** (Circle 7, Ch 48, Key 5) We see examples of people coming together based on these universal principles as stated in this quote: “Disorganized bands of Cherokees forged themselves into a strong national political state, created their own native alphabet, adopted a written constitution, and ultimately provided political, social, and economic leadership not only for the tribe but also for the nation. That they became known as one of the ‘Five Civilized Tribes’ is a testimony to their ingenuity. They saw, paradoxically, that in change was their only hope of survival as a people.” Prophet Noble Drew Ali inspired similar hope to remove the slave brands from his people, organized the various Bands of Moors by making sure that The Moorish Science Temple of America is a lawfully chartered and incorporated organization: **“That the world may hear and know the truth, that among the descendants of Africa there is still much wisdom to be learned in these days for the redemption of the sons of men under Love, Truth, Peace, Freedom, and Justice.”** (Circle 7, Ch 48, Key 5) **“These holy and divine laws are from the Prophet, Noble Drew Ali, the founder of the uniting of the Moorish Science Temple of America.”** (Circle 7, Ch 47, Key 12) Keep in mind that “A term applied to corporation, which is usually designated as a ‘body corporate and politic.’ The term is particularly appropriate to a public corporation invested with powers and duties of government.” (thelawdictionary.org)

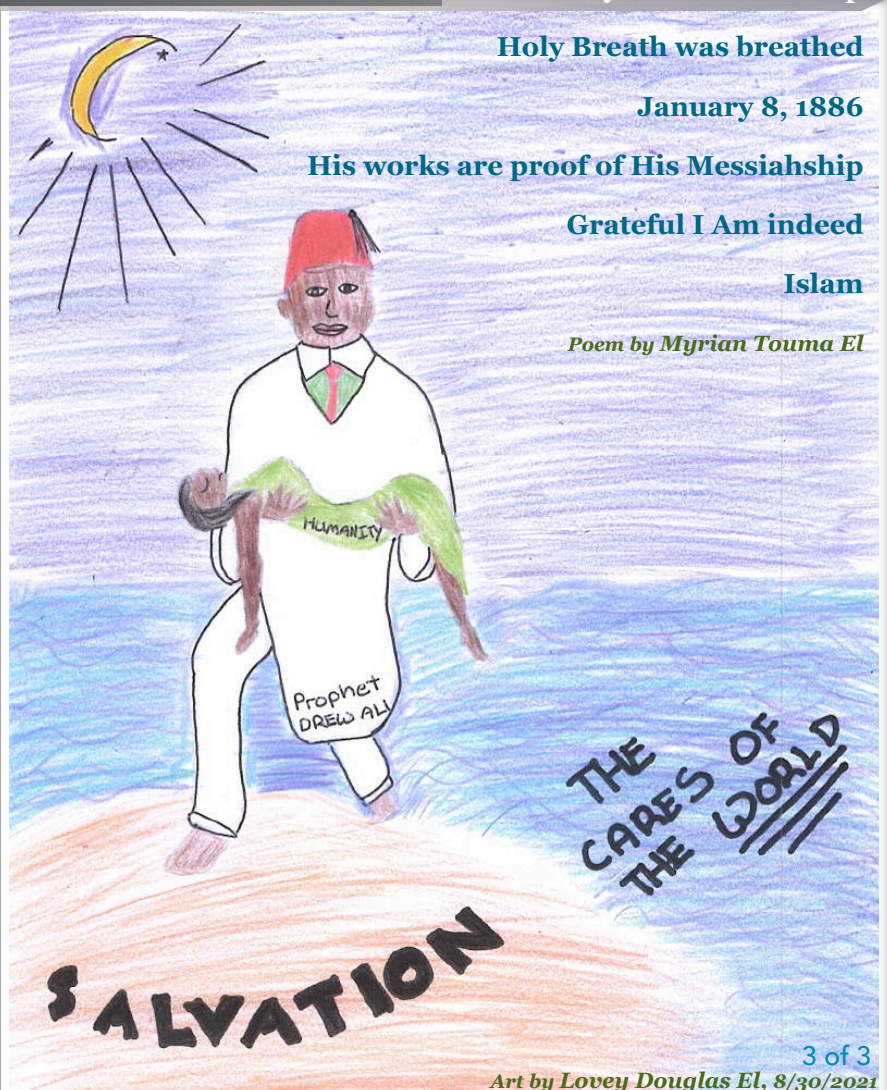

After the passing of Noble Drew Ali His united Bands of Moors became scattered and collectively unorganized. However, He knew this would happen. According to living witness during the Prophet's time: "Bro. J. Blakely-Bey said that the Holy Prophet Noble Drew Ali said, **"In the year 2000, the Moors will come into their own."** Also, Bro. J. Blakely-Bey said that the Holy Prophet said, "It will take 50 years to find out what I brought you, and if you are not careful, 50 years after I am gone, you won't know that I have been here." "These holy and divine laws are from the Prophet, Noble Drew Ali, the founder of the uniting of the Moorish Science Temple of America." (Cirle 7, Ch 47, Key 12) I can humbly say that the Moors in the United Moorish Science Temple of America (U.M.S.T. of A.) take care in studying & preserving all that Prophet Noble Drew Ali brought us. The U.M.S.T. of A's National Grand Sheik Nathaniel Boothe El encourages our Bands of Society to truly embody the Body Politic/Like Ecclesiastic Divine Government Act 7: to always be in line with all necessities of the Moorish Science Temple of America Founded by Prophet Noble Drew Ali. Praise Allah for sending us our Prophet and Redeemer.
