

A BRIEF BIO

Sheik King Bey, National Treasurer

Bio Sheik King National Treasurer:

Sheik King Ali,

Diligent Treasurer with talent for fostering effective professional relationships with clients, staff and business associates. Supportive and focused team player with proactive approach to administration and strong attention to detail. Skilled at providing friendly service to coworkers and customers. Reliable Treasurer driven to promote operational efficiency through advanced administrative and decision-making abilities. Insightful and productive team member with active communication skills. Employs flexible approach to resolving daily issues.

Secretary Kings Favorite quote to keep him focused and motivated is “Allah is leading the way and victory is for sure!”

Sheik King is a military veteran who honorable served five years in the United States Navy as a Hospital Corpsman. Upon leaving the military Sheik King became the front office coordinator for Roswell Pain Specialist where he learned how to integrate his military experience with the civilian world.

Sheik Kings favorite pastime is charity community service, which he attends on Wednesdays. Sheik King volunteers with Islamic Cultural Center of Northern California to aid and assist with their food drive program.

Peace.
