Act 4. — "All Members must preserve these Holy and Divine laws, and all members must obey the laws of the government, because by being a Moorish American, you are a part and partial of the government, and must live the life accordingly."

THE HOLY KORAN OF THE MOORISH SCIENCE TEMPLE OF AMERICA CHAPTER 39:11

11. "A good death is better than an evil life; strive therefore, to live as long as thou oughtest, not as long as thou canst. While thy life is to others worth more than thy death, it is thy duty to preserve it." We ought to Preserve the Great Good once known in studying self as taught by our Prophet Noble Drew Ali. Rousing Cheers Greet Prophet Everywhere!

"Everywhere thus far on his entourage the founder of the Moorish Science Temple of America has been accorded a rousing welcome in his quest to uplift fallen humanity. Unconscious Moors are falling into the movement in a way that makes the above cartoon no exaggeration of the movement." This cartoon was published in Volume 1, No. 14. National Edition of the Moorish Guide news paper on Friday March 1st, 1929. The front page read as stated above, "Moors Greet **THE Great Prophet**".

The conscious Moors in this New Era of **Time Now** know: 7. "It is not strange; there are no happenings; **law governs all events**. 8. From olden times it was ordained that you should be with us and in this sacred school be taught." (Ch. 2:7-8 of Said Koran). We are reminded "The Great Meeting is On!" And when asked, What have you to say about HOLY BREATH? All we can say is it is GREAT, It is GOOD, It was, it is, and evermore to be. AMEN. -Key 51 of The Koran Questions for Moorish Americans

Our Moorish Rite of Purity:

As seen in Chapter 2 & 4 of the Circle 7 Koran and highlighted in the Divine Instructions here:

“21. The only Savior of the world is love; and Jesus, son of Mary, comes to manifest that love to men. 22. Now, love cannot be manifest until its way has been prepared, and naught can rend the rock and bring down lofty hills and fill the valleys up, and thus prepare the way, but purity. 23. But purity in life men do not comprehend; and so, it, too, must come in flesh. 24. And you, Elizabeth, are blessed because yours is purity made flesh, and he shall pave the way for love.”
(ch. 2:21-24)

12. “To teach men to be pure in heart, you must yourself be pure in heart and word and deed. 13. In infancy the vow for you was made and you became a Nazarite. The razor shall not touch your face nor head, and you shall taste not wine nor fiery drinks. 14. Men need a pattern for their lives; they love to follow, not to lead. 15. The man who stands upon the corners of the paths and points the way, but does not go, is just a pointer; and a block of wood can do the same. 16. The teacher treads the way; on every span of ground he leaves his footprints, clearly cut, which all can see and be assured that he, their master went that way. 17. Men comprehend the inner life by what they see and do. They come to Allah through ceremonies and forms. 18. And so when they would make men know that sins are washed away by purity in life, a rite symbolic may be introduced. 19. In water wash the bodies of the people who would turn away from sin and strive for purity in life. 20. This rite of cleansing is a preparation rite and they who thus are cleansed comprise the temple of purity. 22. This rite of cleansing and this temple are but symbolic of the cleansing of the soul, which does not come with outward show, but is the temple within. 23. Now, you may never point the way and tell the multitudes to do what you have never done; but you must go before and show the way. 24. You are to teach that men must wash; so you must lead the way, your body must be washed, symbolic of the cleansing of the soul.”
(ch. 4:12-24)

The Brothers and Sisters of our United Moorish Science Temple of America

Welcome Sister D. Branker Bey and Sister P. Smith Bey. They were washed in the waters of Oak Creek-Crossing Vortex in Sedona, Arizona, at Red Rock Crossing State Park on September 3rd, 2023. This was a historic moment for all the Moors who had this experience in witnessing the sacred Purity Rite which our Brother John the Harbinger demonstrated as he paved the way for our Brother Jesus who demonstrated the pattern for Love. Islamism!!!

Moors, great things are in store for us all in a short while. The movement under the direction of its one and only founder is about to progress as is never has before. The time is near when prophecies made awhile back will come to light, a time when many of our lowly brethren will cry to be lifted up into a higher realm where real civilization and our real nationality exists. Remain firm, convince others, all the while that only through our founder's doctrine of Love, Truth, Peace, Freedom and Justice can we advance in a manner in which all the peoples of the earth will respect and admire those of the Islamic faith. *Moorish Guide, by Brother Roe El (1929)*
