

## Moors Adopted a Highway.

Extending the learning and truth of the [Great Prophet of Ali in America](#).

Recently, Moorish Science Temple of America California Temple No. 1 travelled to Hawai'i to participate in uplifting acts in accordance with our Divine Constitution and by Laws. Moors participated in the **Adopt a Highway** program, picking up trash on a two mile stretch of the highway. After completing our social duties, Moors were given a chance to explore paradise before heading to a Living off the Grid Workshop hosted by Moorish Science Temple of America Hawai'i and The Alhoa Moorish Retreat Center. While exploring the Island, Moors visited the iconic black sand beaches, some of the newest beaches on the planet. It was amazing to realize that the earth still is in the process of creating new land masses. In silent meditation I pondered at the mere fact that the earth is still creating new land and it gave me rush, hope and inspiration that since the earth still has this ability, then so does man. Mankind, we still have the ability to create a just and equitable society just as the earth has the ability to create new land. Allah is leading the way and victory is sure!

## Celebrating Marcus Garvey in Hawai'i @ the Ohana Black Event.

Grand Sheik Cozmo El the founder of Moorish Science Temple Hawai'i delivered a brief message to the Asiatics and others in attendance at a Celebration of the Life of Marcus Garvey. This event was hosted by Ohana Black (community). He reminded the Moors and all who gathered about some significant contributions made by Marcus Garvey the forerunner to Prophet Noble Drew Ali. **"All nations of the earth in these modern days are seeking peace, but there is but one true and divine way that peace may be obtained in these days, and it is through Love, Truth, Peace, Freedom and Justice being taught universally to all nations, in all lands."** *Prophet Noble Drew Ali.*

## OUR TRAVEL TO HAWAI'I REMINDED US OF OUR PROPHET:

"I deem It proper to submit to you a brief statement of our organization, covering Its inception, rise and progress and of the Mohammedan religion, which I hope will be satisfactory to you and be the means of causing you at all times to adhere to the principles of Love, Truth, Peace, Freedom, and Justice in your relations with mankind in general." "I have mended the broken wires and have connected them with The Higher Powers.' So come on Asiatics, don't you want to go? We are marching on to Canaan. I used to think that it was a city in the sky, but **now I know it is here on earth. DON'T YOU WANT YOUR SHARE?**" Excerpts from Moorish Literature, by Prophet Noble Drew Ali.
