OUR OPERATION PROCEDURES AND TERMS & CONDITIONS

PRIVACY OF CUSTOMER DESIGN

We will do everything in our power to keep the customer design secret. We ensure that we will not use your designs and will not share them with other customers.

PRODUCT DEVELOPMENT

If you want to modify existing styles, all modifications/adaptations must be specified in detail. If you want to use your own design, we would need technical sketches of your design, logo artwork, color, leather & lining quality, zipper, and other accessories information.

RAW MATERIALS

Depending on your request, we can use either our own materials or the materials you provide. The way material is sourced will be a price-altering factor.

SAMPLE-MAKING

Sample production takes from 2 to 3 weeks. Should there be any defect on our part, we will revise the sample free of charge. However, if the customer requests any modification to the sample, he will receive an invoice for the revised sample.

MINIMUM ORDER QUANTITY

Each color/style minimum order quantity is about 75 pieces for the bags, 100 pcs for the small accessories, and 50 pcs for the weekender bags. Exceptions could be made depending on the project. A prepayment of the total price is to be charged prior to production, and the rest will be paid in full upon shipment. Our prices are «CIF» including the cost of customs duties & import VAT.

We highly value the continuity of the business. Therefore, we give great importance to customer service, quality, and workmanship. We would neither make false promises nor take on a project we cannot fulfill. If you provide us with detailed information about the products you are interested in, we would be happy to assist you.

Best Regards
