## MESSAGE FROM THE PRESIDENT

Along with the rapid globalization around the world, the export and imported fresh produce industry faces turbulent times.

During that social context, we must accurately keep up with the time to respond promptly to the ever-accelerating diversification of food culture and sophistication of consumer attitudes.

To support a food culture that caters to the needs of the times, A&M International Group provides fresh, safe, delicious products through bold, yet careful and unique projects that include the development of growing areas and products and the improvement of processing technology.

Fruit makes people happy. To share that happiness with clients, growers, employees, and consumers, we will continue our ongoing efforts to consolidate further the trust and quality that we fostered for over 8 years. We would appreciate your continued support and guidance.
