- **Patient Care (AEM)**
- **Medical Knowledge (AEM)**
- **Professionalism**
- **Interpersonal & Communication Skills**
- **Practice-based Learning & Improvement**
- **Systems-based Practice**

For Residents & Physicians

Residents & physicians create and use their personal **MyAccess Profile** to unlock key features:

- Work through challenging patient cases

- Create and take quizzes for board review

- Connect remotely while off-site by going directly to accessemergencymedicine.mhmedical.com

- Bookmark favorite content such as videos, images, tables, and chapters to view later

- Organize important content in folders

- Browse recently viewed content

- Receive alerts about important new content additions

- Download multiple images to PowerPoint with citations populated

How to Set Up Your MyAccess Profile in Three Easy Steps:

1. Go to accessemergencymedicine.mhmedical.com. You must be on-site at your institution or connect through your institution's VPN or library website.

2. Click on your institution's name in the upper right-hand corner of any page. Once there, click on "Create a Free MyAccess Profile."

3. In the pop-up window, click "Create a Free MyAccess Profile." Complete the registration form & select "Create Profile."

Congratulations! You are ready to enjoy the benefits of a **MyAccess Profile.**

Helpful Tip:

To keep your MyAccess Profile active, you must sign into your profile every 90 days while either on-site or through your institution's VPN or library website.
