

A man with a beard and a cup for a head, surrounded by hummingbirds. The man has a grey beard and mustache, and is wearing a dark, patterned shirt. A blue and yellow hummingbird is perched on the rim of the cup. Two other hummingbirds, one green and blue, and one blue and red, are in flight around the man's head. The background is dark and textured.

Born in **Barcelona, Spain** and a true global citizen, DJ Ino has been a pioneering force in electronic music for more than three decades. His journey began in the 1990s when he transitioned from playing in rock bands to becoming an electronic music visionary, reshaping the rules of the underground scene and leaving a permanent mark on its evolution.

Internationally renowned for his impeccable style and rare versatility, DJ Ino commands the full spectrum of electronic music. His instinctive ability to read a dancefloor is the result of decades of dedication, a reputation recognized across the global electronic music community.

DJ Ino embodies the complete electronic music artist. His performances are widely regarded as transformative experiences, each set unfolding as a carefully constructed journey through the past, present, and future of electronic music.

From the underground clubs of Spain to the superclubs of Ibiza, from the mystical beaches of Tulum to the refined venues of Tokyo, Zanzibar or Bangkok, DJ Ino continues to write his story as one of electronic music's most enduring global figures, redefining what is possible one impossible mix at a time.
