FALL

Newsletter

Welcome to the Fall Edition of our Quarterly Newsletter! The New School Year has started and our busy learners are settling in nicely to their new classrooms.

This Fall we will start the year off learning about ourselves, peers, teachers and families. We will explore sensory activities, all different apples, what's inside a pumpkin and so much more. Your kids will explore the weather changing, leaves falling and some cooler weather to play outside in.

As always, we are dedicated to working alongside you to support your child's growth, curiosity, and imagination throughout these vibrant months. In this newsletter, you will find updates on our wonderful BELC staff, classroom highlights and important upcoming events.

Here's to a Wonderful NEW YEAR filled with Giggles, Exploring and new friendships!

For questions, concerns or clarifications, you may reach out to our office: 203-488-4512
