Spring 2026

Hello everyone,

We have an answer to prayer and praise to our God, who does exceedingly abundantly above all we ask or imagine. (Eph. 3:20). Many of you have been praying with us about hiring a resident manager. We desperately needed someone here to help with the ministry, the store, and the ladies and children.

Jodie Riley came into our program in 2021 as a resident. Within two years she became our resident manager. She left us to move into her own place and was working for Millbrook Church. She also worked at our thrift store part-time. This last year we started looking for someone who would come on staff to help with the ladies and ministry. Jodie applied for the position and the Board approved her unanimously.

Jodie not only has grown in her faith and love for the Lord, but has a heart for women and children. She had already worked for us, so there was no need to train her. The ladies already love her, and the kids say she the best. Jodie will add much to our ministry and will be an excellent example of what God can do with a life surrendered to Him.

Please continue to pray for our ministry. The ladies who come to us have so many needs, from understanding about God and His love for them, to emotional, financial and physical needs. We need God's wisdom in working with each one. We desire to represent Him and be his vessels to minister to these beautiful ladies and precious children.

All for His Glory,
Debbie Lamb
