Christmas at SATCM 2023

Hello to you all,

I can't believe this year is almost over. We have gone through so many changes, yet still have been able to reach out and help the women God has sent our way.

We are no longer using the house my father gave me 23 years ago that we called "My Father's House". Grace House has become our home for single ladies. In doing so we had to say goodbye to our faithful resident managers, Valerie Perry and Donna Banks which has proven best for them and us. We appreciate and are so grateful for the years of service they have given to our ministry.

We were able to move all our single ladies to Grace House on the property. We also were able to do some renovations and add an extra room. So now, we are able to minister to 4 single women instead of only 3 at a time.

We have found a wonderful contractor who is not only willing to work with us but felt it was a privilege to be able to help us in building another duplex for women with children.

Again this year, Christmas donations will go toward building and furnishing the duplex apartments with stoves, refrigerators, kitchen and bathroom cabinets etc. Hopefully, we will see things get started the first of the year. Because of the last two years' donations for this project we should be able to finish the project and be totally debt free.

I would have never imagined 23 years ago where our ministry would be today and that I would have the privilege to work with the women who come to us. I could not have done any of it without my board, the staff, volunteers and donors who have given so much of their time, resources and donations. God works through His church and you all have been a wonderful example to the world around us and our ladies.

Merry Christmas to you all, faithful friends, volunteers and supporters and to my wonderful board for their support and direction over the years. May this new year bring all of us blessings and joy through the provision of Our Lord Jesus Christ.
