MaryAnn's  
**DINER**  
**DERRY**

*Menu*

Family  
Owned  
Since  
1989

When MaryAnn's Diner opened its doors in 1989 in Derry NH, we opened with the idea of giving our customers the best service, homemade food and atmosphere we could. Without any previous restaurant experience, we waited on our customers the way we would like to be waited on when we go out to eat. The servings are the size we would like to have when we dine out in an atmosphere we would love to dine in. We are glad to see that there are many more of you that like these same qualities also. We have gained so many friendships out of our awesome clientele and would like to thank each and every one of you for your continued patronage.

*Thank you! The Andreoli Family and MaryAnn's staff*
