

SEE SOMETHING--SAY SOMETHING to the police, not Gate Security.

- If you are victims of unkind gestures or see any uncomfortable, strange, wrong looking or threatening activity, we encourage you to contact the Deerfield Beach Police Department to report to them by calling the **NON-EMERGENCY number**: 954-764-4357 (HELP). Or send email to:

Adam_Hofstein@Sheriff.org

You can do so anonymously or request to keep your identity confidential.

- Not to remain 'silent' in the face of such gestures and acts. Report them to the police.

- Above all, "DO NOT CONFRONT SUSPECTS"; it is not for you to do so. Gather as much information as possible without exposing yourself and call the **NON-EMERGENCY number**.

- If it is a situation that could endanger you or another person, do not hesitate. **CALL 911**.
