

The Student Scholarship Organization of The Way Christian School Scholarship Application

The Way Christian School is a Student Scholarship Organization (SSO) under the Montana Department of Revenue's Student Scholarship Organization Tax Credit. **Scholarships from this student scholarship organization may be used at any qualified education provider of the parent's or legal guardian's choice.** Through this program and generous donors, we hope to have funds available as SSO Scholarships for the 2026/2027 school year. Under Montana Code relating to Student Scholarship Organizations, our high school students and children under 5 are NOT eligible for the scholarships.

Scholarships will be awarded based on information provided on the application, and a cover letter explaining why your family needs tuition assistance. If you have more than one child in your family, you will need to ***submit a scholarship application for each child; however, one cover letter is sufficient for the family.***

Please **seal** your application and cover letter in an envelope and put it in the locked, black drop box in the school office ***by March 1st.*** *Please do not give these applications to teachers.* Applicants can mail their application if bringing it to the school is not convenient:

A Scholarship committee will review all applications. Great care will be taken to ensure the integrity of the process for awarding these scholarships to students. Board members who apply for a scholarship will not be a part of the scholarship committee or scholarship award decisions.

Families will receive notification of an initial award amount during the first week of May. As other scholarships, with later award dates, such as ACE Scholarships are awarded, the final SSO award may change.

If you have any questions, please feel free to contact the school board via phone or email at: (406)220-3509 or waychristianschool@gmail.com.
