(b. 1975)

Kori Spiropoulos, *Solo*

University of Florida Concert Choir
Tané Dekrey, Accompanist

This recital is presented in partial fulfilment of the requirements for the degree of Doctor of Musical Arts.

Translations

Ave verum corpus

Hail, true body, born of the Virgin Mary,
who has truly suffered, was sacrificed on the cross for mortals,
whose side was pierced, whence flowed water and blood:
Be for us a foretaste (of heaven) during our final examining.
O Jesu sweet, o Jesu pure, o Jesu, son of Mary,
have mercy upon me. Amen.

Pater noster

Our Father, which art in heaven, hallowed be thy name;
thy kingdom come; thy will be done, in earth as it is in heaven.
Give us this day our daily bread. And forgive us our trespasses,
as we forgive them that trespass against us.
And lead us not into temptation; but deliver us from evil.
[For thine is the kingdom, the power, and the glory, for ever and ever.]
Amen.

Dirait-on

Abandon surrounding abandon, tenderness touching tenderness...
Your oneness endlessly caresses itself, so they say;
self-caressing through its own clear reflection.
Thus you invent the theme of Narcissus fulfilled.

***Aeorang* ***

Arirang.
Muscadine and siberian gooseberry of rugged mountain had become
entangled. However, when can I see my beloved whom I miss?
My love. Arirang

(*This translation has been translated directly. The lyrics are very poetic and traditional. The important point is to miss the person I love.)
