POPULAR STYLES

TRADITIONAL BEADBOARD

Narrow vertical grooves create a classic, timeless look. Perfect for coastal, cottage and casual spaces.

V-GROOVE

Wider vertical panels with a subtle V-groove. A clean, modern take on traditional beadboard. Great for coastal and contemporary homes.

SHAKER STYLE

Flat panels with simple, clean trim lines. Versatile and elegant. Works beautifully in dining rooms, entryways and bedrooms.

BOARD AND BATTEN

Vertical boards with wide spacing. Adds depth and architectural interest. A great choice for modern coastal, farmhouse and transitional spaces.

RAISED PANEL

Traditional and formal with detailed molding. Brings classic charm to dining rooms, offices and living spaces.

FLAT PANEL

Smooth, streamlined panels for a modern look. A popular choice for today's homes and pairs well with coastal design.

TONGUE AND GROOVE

Horizontal planks create a relaxed, beachy feel. Perfect for coastal, lake and modern spaces.

HALF WALL WAINSCOTING

Typically 36"-48" high. Adds texture, protects walls and works in almost any room.

QUICK TIPS

MATCH YOUR STYLE

Choose a wainscoting style that complements your home's architecture and the look you love.

PICK THE RIGHT HEIGHT

36"-48" is most common (taller works well in bathrooms and entryways).

USE COASTAL COLORS

Whites, soft blues, greens and warm neutrals keep spaces feeling bright and open.
