

Yo

Mission “Maximum Holiday Vibes” = COMPLETE. Santa just DM’d (Direct-to-Magic) me: it’s sleigh o’clock! Your elf has been watching like a tiny ninja and, fr, you slayed the nice vibes all month. Thanks for the epic kindness quests and snack support.

Before you crash, speed-run these mini quests:

- Drop a cookie + milk for the Big Guy.
- 30-second tidy blitz—floor goes from meh → yay.
- Send one good-vibes hug to your squad (family counts).

Keep being a kindness MVP, and I’ll keep telling Santa you’re absolute fire (the good kind). Catch you next season—same elf time, same elf energy.

Peace, sparkles, and candy canes,
