

# **YOU'RE ON THE NICE LIST!**

Hi

Santa asked me to deliver some wonderful news... you made the NICE LIST!

He's been watching all year and is so proud of the kindness, sharing, and love you've shown to others.

Your good heart and cheerful spirit make the season extra bright, and Santa can't wait to visit your home on Christmas Eve with something special.

Keep being the amazing, thoughtful kid that you are—there's still plenty of holiday magic to enjoy. I'll keep reporting back to Santa every night so he knows just how awesome you've been!

Your proud little elf,

*Good  
JOB.*

P.S. Santa says to keep up the great work—kindness and smiles make the best Christmas gifts of all!
