

Center Director
Mrs. Maggie Lineberry

Hi, I'm Mrs. Maggie! I was born in Georgia but have called North Carolina home for most of my life. I began working in childcare 15 years ago, and from the very beginning, I knew that working with children was exactly where I was meant to be! I earned my degree in Early Childhood Education from Rockingham Community College in 2016 and went on to graduate from the University of North Carolina at Greensboro in 2020 with my Bachelor's degree in Human Development and Family Studies. I've had the opportunity to work in a variety of childcare and educational settings, including the YMCA, the City of Danville, VA, and Rockingham County Schools. I joined the Child Enrichment Center in January 2026, and I couldn't be more excited to be part of this wonderful community! Outside of the classroom, I enjoy spending time with my husband, Jonathan. We've been married since 2021 and are blessed with our sweet two-year-old son, Lucas! I also spend lots of time volunteering at our church, Lebanon Baptist Church and I enjoy cross-stitching. I'm so excited to serve your families, love on your little ones, and help them learn, grow, and thrive each day!

Preschool A Classroom
Ms. Kim Yarborough

Hi, I am Ms. Kim! I'm excited to be your child's teacher. The toddler years are such a special time filled with growth, independence, and curiosity, and I feel grateful to be part of it

I'm a proud mom of three boys, so life at home is always busy and full of love. I'm also one of seven siblings and the middle child.

My love for working with children began when I was 16, helping with children on Sundays at my grandma's church. I also grew up attending Lebanon from about age 10 to 18, so many core memories were spent at this very church

Since then, I've worked with children in different childcare settings and have continued to grow throughout the years. I look forward to watching your children grow, learn, and explore throughout the year. I'm excited for all the moments we will share together.

I'm happy you're here and look forward to getting to know your family.

Preschool B Classroom
Mrs. Tonia Pennington

Hi, I'm Mrs. Tonia! I'm so blessed to have spent nearly 39 years working in childcare. While most of my career has been in administration, I've also had the joy of working with children of all ages as a classroom teacher.

I earned my degree in Early Childhood Education in 2010, and my passion for helping children learn and grow continues to be at the heart of what I do.

Outside of school, family is my greatest joy! I've been married to my wonderful husband, Donnie, for 38 years. Together, we have four beautiful children, ranging in age from 35 to 13, and six amazing grandchildren—with our seventh grandbaby arriving in September! I'm excited to share my love of children and learning with your family!

Hi, I'm Ms. Ryana! This is my first year at the Child Enrichment Center, and I'm so excited to be working with our school-age kiddos in the afternoons! I'm looking forward to a fun-filled year of learning, growing, and making wonderful memories together. When I'm not at work, I enjoy spending time with my friends at church, journaling, and making special memories with my family. I'm so excited to be part of the Child Enrichment Center family and can't wait for a great school year!
