

The 3rd Floor Cocktail Club Membership Guidelines

- 1) Membership at The 3rd Floor Cocktail Club is assigned to an individual's name. The membership fee is \$5.00 per visit and will be included on the member's check. The lifetime membership fee is \$750.00. Once a member accrues \$750.00 in payments, the per-visit fee will no longer apply. All collected fees are non-refundable.
- 2) Judge's Bench Whisky Club members are automatic 3rd Floor Cocktail Club members without additional membership fees. The Whisky Club discount, however, is not accepted at the 3rd Floor Cocktail Club. No discounts are available at the 3rd Floor Cocktail Club.
- 3) Membership continues at the discretion of management. Frequent failures to keep reservations, disorderly conduct, credit card rejections, disrespect for fellow customers and staff, moving furniture, etc. are causes for concern.
- 4) Reservations are required and the member must be present. We will try to accommodate walk-in members whenever space is available.
- 5) Credit cards are the only accepted form of payment and must be presented when paying the check. Digital payments cannot be accepted. No cash or change is available. 3rd Floor Cocktail Club staff will, however, accept additional cash tips.
- 6) An automatic 20% gratuity is applied to all checks.
- 7) No drinks or food brought from the Judge's Bench or elsewhere, including water or water bottles, may be consumed in the 3rd Floor Cocktail Club. Please finish your drinks or food from The Judge's Bench before arriving.
- 8) A minimum average per-person order of \$15.00 is requested, including designated drivers. Non-alcoholic drinks are available.
- 9) Members may invite up to 5 guests on their reservation, however, the member is responsible for payment. We are unable to split checks.
- 10) No persons under the age of 21 may enter the 3rd Floor Cocktail Club during service hours. Exceptions will be made for members' private party bookings.
