Suggested minimum donation \$25.

All donations collected will benefit the Cincinnati Boychoir Scholarship Programs.

CINCINNATI BOYCHOIR'S SCHOLARSHIP PROGRAMS

GIVE THE GIFT OF BOYCHOIR!

Our boys come from all walks of life - they represent low, middle, and high-income families. They come from the inner-city and the suburbs. Some come from big families, and some are only-children with single parents. They all have one thing in common, though - a love of music! Many of our boys couldn't participate without financial assistance. Consider giving the gift of Boychoir today.

Randall Wolfe Scholarship Fund

The Randall Wolfe Scholarship Fund was founded during the 2015 Cincinnati Boychoir 50th Anniversary Season to honor the many years of service of our longest-serving director.

This revolving fund supports boys who **exhibit dedication to the pursuit of musical excellence, demonstrate leadership qualities, and whose participation in Boychoir embodies a passion for our mission.**

This is a merit-based scholarship that must be applied for and is awarded annually based on available funds.

Maxwell Scholarship Fund (Endowed)

Founded by a generous gift from Mrs. Jean Clipson, the Maxwell Scholarship Fund is named for Mrs. Clipson's great-grandfather, Lawrence Maxwell, who was a president of the Cincinnati May Festival, and a lifelong supporter of vocal music in Cincinnati.

Jean's grandson, Robert Maxwell Pauly, is a Boychoir alumnus and her son Lawrence Pauly was a member of the Men's Glee Club and is a current member of the Boychoir's Board of Trustees.

The annual earnings on this endowment currently allow us to cover the tuition for one boy each year who **demonstrates both financial need and whose participation in Boychoir embodies a passion for our mission.**

Visit cincinnatiboychoir.org/donate to support a Scholarship Fund today!
