Onsite Course

SYLLABUS

Credit hours: 4.5

Contact/Instructional hours: 45 (45 Theory Hours)

Prerequisite(s) and/or Corequisite(s):

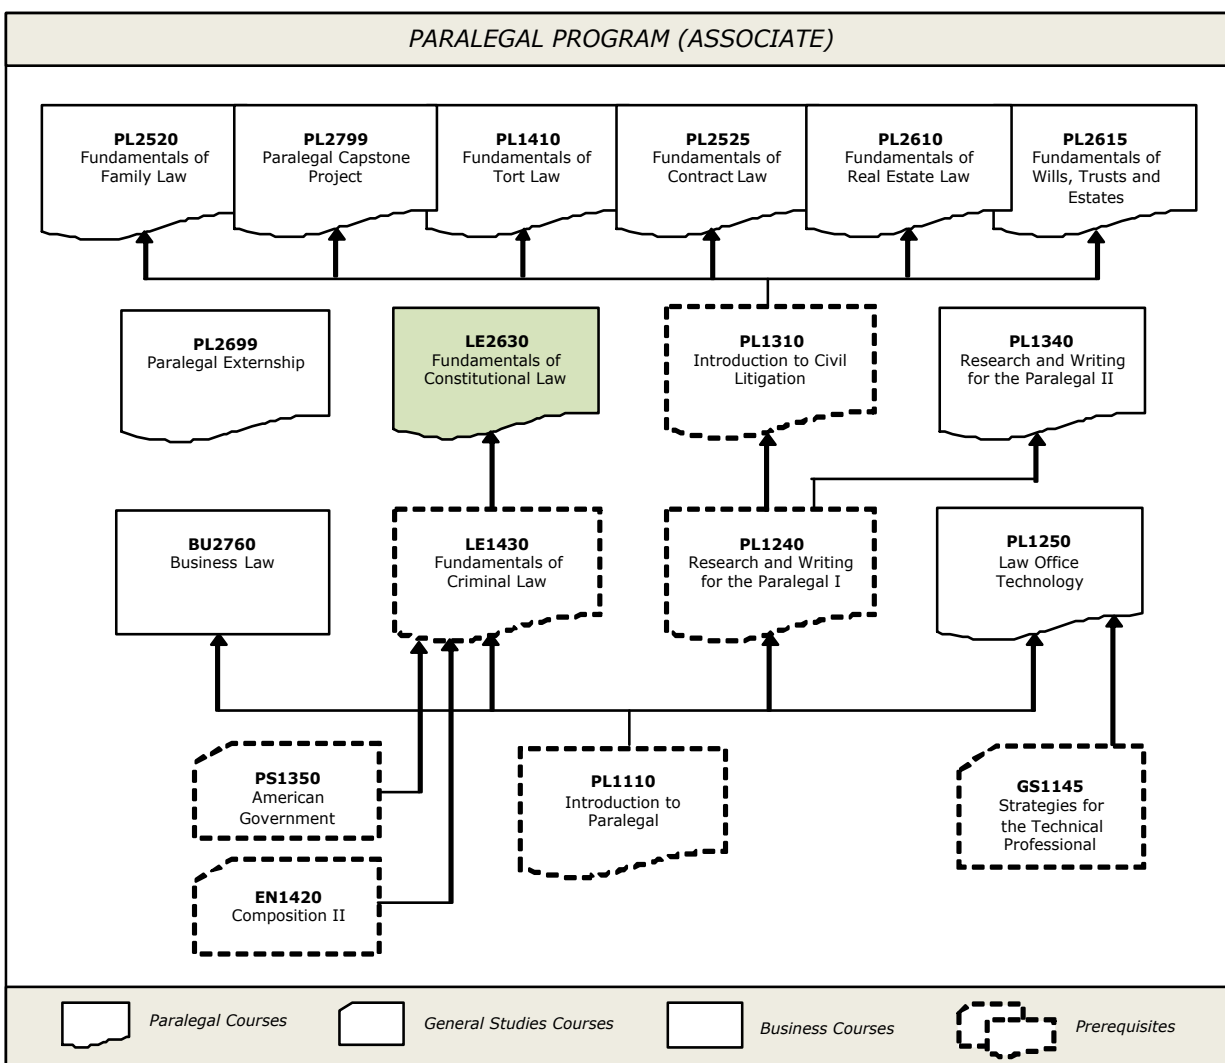

Prerequisites: LE1430 Fundamentals of Criminal Law or equivalent

Course Description:

This course is an overview of the basic concepts of constitutional law, including judicial review, separation of powers, the powers of the President and Congress and federalism. Students explore individual rights and liberties, including the right to privacy and the rights of criminal defendants.

Where Does This Course Belong?

This course is ideally offered in the second year of the Paralegal associate degree program. The Paralegal program at ITT Technical Institute helps to prepare students for meaningful careers as paralegals and legal assistants working in civil litigation, family law, criminal law, real estate law, and/or probate law.

NOTE: Refer to the catalog for the state-specific course and program information, if applicable.

This course is required for the Paralegal program.

Program Scope and Core Content Areas

The Paralegal program exposes students to the knowledge and skills utilized in paralegal and legal assistant entry-level positions, including but not necessarily limited to civil, family, criminal, real estate, and/or probate law firms. The program introduces the fundamentals of legal research and writing, ethical standards, and various law specialties. Students are shown teamwork concepts, technology, and multiple approaches to problem solving.

The Paralegal program is in the School of Criminal Justice and includes the following courses:

- Introduction to Paralegal
- Research and Writing for the Paralegal I
- Law Office Technology
- Research and Writing for the Paralegal II
- Introduction to Civil Litigation
- Fundamentals of Criminal Law
- Fundamentals of Tort Law
- Fundamentals of Family Law
- Fundamentals of Contract Law
- Fundamentals of Constitutional Law
- Business Law
- Fundamentals of Real Estate Law
- Fundamentals of Wills, Trusts and Estates
- an externship
- a capstone course

Program Goals and Objectives

Upon completion of the program, students will be able to:

- Evaluate the skills necessary for analyzing information to solve problems associated with paralegal roles and responsibilities.
- Communicate proficiently orally, interpersonally, and in writing.
- Demonstrate the ability to anticipate and react to various legal situations in an appropriate and effective manner.
- Demonstrate the ability to work collaboratively with a group to accomplish an agreed-upon goal.
- Demonstrate the ability to apply current computer technology to do paralegal work.
- Compare and contrast ethical behaviors in all legal matters.
- Apply critical thinking and research skills for the paralegal professional.
