|---|--|
| <b>Many Scents are Interchangeable Between Products</b> | <b>While we can make them, we do not recommend Essential Oils in candles as they do not perform as well in the soy wax.</b>  |
| <b>Amber Noir</b>                                       | A sweet & sultry fusion of mandarin, jasmine, and amber with undertones of sandalwood & musk.  |
| <b>Apple Bourbon</b>                                    | Notes of apple, cinnamon, & hints of orange combine with bourbon, sweet maple, vanilla, & butter.  |
| <b>Apple Butter</b>                                     | Aromas of fresh ripe apples with bright fruit notes and just a touch of cinnamon spice.  |
| <b>Apple Pecan &amp; Sage</b>                           | Sweet, freshly picked apples with aromatic spices and a slightly nutty aroma.  |
| <b>Bay Rum</b>  | A barber shop classic showcasing crushed cloves, cinnamon sticks, patchouli, and crisp pine needles, with a spicy/sweet orange freshness.                                |
| <b>Black Amber &amp; Plum</b>                           | Evergreens, spice, and a hint of fruit topped with notes of cypress and fir. Dark plum adds a touch of sweet nectar. Saffron and cinnamon enhance the spiced plum notes. |
| <b>Black Sea</b>  | Sweet and salty oceanic currents combine with hints of amber and vanilla.  |
| <b>Blood Orange</b>                                     | Displays full-bodied notes of bergamot and grapefruit fused with an herbal bouquet.  |
| <b>Blue Lake Musk</b>                                   | Notes of amber and geranium add a musky scent to woody base notes.   |
| <b>Cactus Flower &amp; Jade</b>                         | A bright, lively fragrance of sweet agave and watery aloe enhanced with fresh-cut green leaves and chrysanthemum petals.   |
| <b>Caribbean Breeze</b>                                 | An explosion of tropical fruits and rum blended into an irresistible summer scent with fruity pineapple, orange, and apple for a super smelling fragrance.               |
| <b>Cashmere Glow</b>                                    | A pleasant blend of shimmering vanilla, golden peach, and warm cashmere musk.  |
| <b>Chardonnay</b>                                       | Bouquet of a premium, crisp blend of white grapes, oak, and fruit.   |
| <b>Cherry Basket</b>                                    | Notes of black currant & apple with aged oak & amber base which highlight a sweet vanilla finish.  |
| <b>Chocolate Brownies</b>                               | Smells like fresh baked brownies.  |
| <b>Christmas Cottage</b>                                | Sweet vanilla, cinnamon, and spice blend with peppermint for a delightful holiday fragrance.   |
| <b>Christmas Hearth - Candles ONLY</b>                  | Combines orange spice notes with fir & pine notes from the Christmas tree, along with earthy smokiness from the fireplace.   |
| <b>Christmas Pine</b>                                   | A pine tree farm in the middle of a cold winter morning with fresh sap coming out of the bark.   |
| <b>Cinnamon - Candles ONLY</b>                          | Notes of cinnamon, rich nutmeg, and clove reinforces the spice, while sugar and wood notes round out the base.   |
| <b>Cinnamon &amp; Vanilla - Candles ONLY</b>            | Spicy cinnamon combine with the sweet and creamy scent of vanilla.   |
| <b>Citrus Basket</b>                                    | A vibrant citrus fragrance with notes of grapefruit, lemony citron, and mandarin blended with touches of peach, orange, and delicate cyclamen.                           |
| <b>Coconut</b>  | Creamy coconut make this classic scent irresistible.   |

|   |   |
|---|---|
| <b>Coffee - <i>Candles ONLY</i></b>     | Notes of just-ground & roasted coffee beans with a touch of sugar and cream.  |
| <b>Cranberry Apple</b>                  | Orange peel, apples, and cranberry combine with hints of cinnamon, clove, and sugar.  |

| <b>Gingerbread</b>                      | A heart of cinnamon, nutmeg, and clove enhance the ginger, while a dash of almond and molasses with sugar envelop the array of spices with a delightful sweetness.                                    |
| <b>Golden Rose</b>                      | A complex bouquet of sweet rose, lily, chrysanthemum, and green florals.  |
| <b>Graphite</b>                         | A sexy and masculine blend of sage, bergamot spice & leather woods. Clean, warm and fresh.  |
| <b>Hocus Pocus</b>                      | A rich and spicy fragrance combining fresh pumpkin with creamy coconut alongside warm spicy notes of cassia and clove, all resting on a base of maple, precious woods and smoky bourbon.              |
| <b>Honeysuckle Jasmine</b>              | Notes of lemon and ginger give way to a base of jasmine and honeysuckle with hints of violet, powder, and amyris.   |
| <b>Ice</b>                              | A masculine fragrance with a touch of musky, mossy, woody, and subtle ambergris-like florals.   |
| <b>Island Driftwood</b>                 | A complex scent of spicy top notes including ginger, peppercorn, and spice shadowing hints of tobacco leaf and aged teakwood, sandalwood, amber, and dark musk.                                       |
| <b>Japanese Cherry Blossom</b>          | Scents of blooming cherry blossoms are infused with magnolia and rose, while subtle hints of cherry, tonka bean, and sandalwood add depth.  |
| <b>Lavender*</b>                        | Captures the authentic, delicate aroma of lavender with slightly stronger floral notes.   |
| <b>Leather &amp; Balsam</b>             | The invigorating fragrance of balsam perfectly blended with rich leather.   |
| <b>Lemon Eucalyptus with Jewelweed*</b> | Same scent as our regular Lemon Eucalyptus but with the addition of Jewelweed.  |

|                                  |   |
|----------------------------------|---|
| <b>Lemon Eucalyptus*</b>         | A crisp blend of citrusy lemon combined with the bold character of Eucalyptus.  |
| <b>Lemon Verbena</b>             | Zesty lemon and floral verbena combine to create bright, lightly sweet notes of citrus with a heart of lemon verbena and lemongrass.                        |
| <b>Lemon*</b>                    | Strong scents of freshly squeezed citrusy lemons.   |
| <b>Library</b>                   | Teakwood notes give way to cedar and leather along with earthy sandalwood, dark musk, and patchouli. Similar to Sandalwood aromas.                          |
| <b>Macintosh Apple</b>           | A juicy sweet, freshly harvested basket of apples with slight green notes.  |
| <b>Mango Tangerine</b>           | Exotic fusion of fresh mango and ripe tangerine with subtle tropical notes of papaya, peach and creamy coconut.   |
| <b>Merlot</b>                    | Velvety nuances of plums, apples, red raspberries and strawberries combine with a light alcoholic and spicy background.                                     |
| <b>Midnight for Men</b>          | Bergamot spice & blue sage meet the warm notes of leather & woods to create the ultimate collision of seduction and sophistication.                         |
| <b>Midnight Beauty*</b>          | This is our lavender bar of soap with the addition of activated charcoal for additional cleansing.  |
