EXECUTIVE CAREER

Hawk-Eye Innovations Ltd Cricket Systems Operator

Global - Onsite
Mar 2024 – Present

- Tasked with managing the Decision Review System (DRS), UltraEDGE, run-outs, stumpings, and other umpire referrals.
- As the Main VR, I provide analysis and video packages before and during live games, working closely with Producers and Commentators to maintain the game's narrative.
- As the Ultra Edge operator, I utilize edge detection technology during live games and assist with umpire referrals.
- As the Replay VR operator, I offer replays and support the Main VR with comprehensive analytics to enhance the broadcast.
- Collaborated closely with directors, producers, and other stakeholders involved in live broadcasts to address intricate issues with a meticulous attention to detail.

Intelligent Cricket Data Analyst

Mumbai (Remote)
Dec 2021 – Feb 2024

- Performing the **Data Profiling** and **Visualization** efforts across the **Cricket Data Research Domain**.
- Expertise in identifying process improvements to track and improve **Data Quality** and **Data Trend Analysis**.
- Incubating the resolution of recurring **Data Quality & Data Profiling** problems through the adhered **Incident Management** mitigation through the channelled **Client Interaction** management based on the matches.
- Implemented the integrated **Dashboards** in **Excel** for the performance measurement for the associated management.
