"I SCREWED IT UP"

by reader Flawson James from SoHo

*I missed my chance
I was a second late
I promise you I won't ever
make that same mistake*

*I was late, and you left
Won't you please come
back for my sake?*

*I know I screwed up
I know I'm to blame
Why won't you come back?
Please come back, C Train*

*But now you've left me
standing here alone
I'll just have to accept that
you've moved on*

*Yes, I know there's another
train coming in five minutes*
