

Naleighna Kai

National Bestselling Author
Motivational Speaker
Literary Coach
Consultant

Naleighna Kai,

**#1 National bestselling author
literary agent
publishing consultant
marketing & promotions consultant
developmental editor**

Naleighna Kai is a national bestselling and award-winning author of several controversial novels, contributor to a New York Times bestseller, and the E. Lynn Harris Author of Distinction. She has penned *Every Woman Needs a Wife*, *Loving Me for Me*, *Was it Good For You Too?*, *Open Door Marriage*, *She Touched My Soul*, *Rich Woman's Fetish*, and other contemporary fiction novels that plumb the depth of unique love triangles and women's issues.

In addition to successfully cracking the code of landing a deal with a major publishing house, she continues to “pay it forward” by organizing the annual Cavalcade of Authors which gives readers intimate access to the most accomplished writing talent today. She also serves as CEO of Macro Marketing & Promotions Group which offers aspiring authors assistance with ghostwriting, developmental editing, publishing, marketing, and other services to jump-start their writing careers. She also founded NK Promo Partners for her clients and author members who participate in literary events and media advertising as a group.

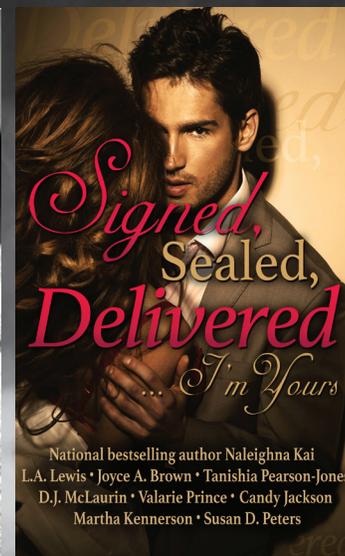

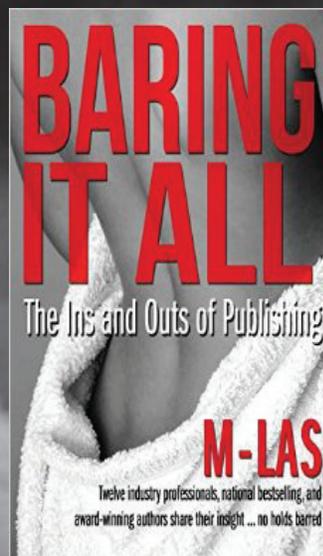

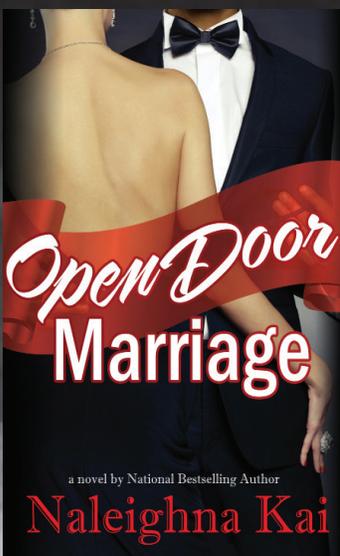

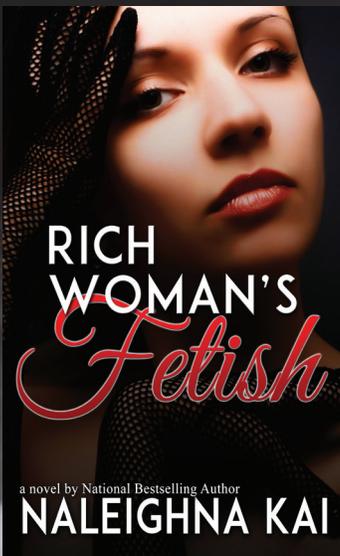

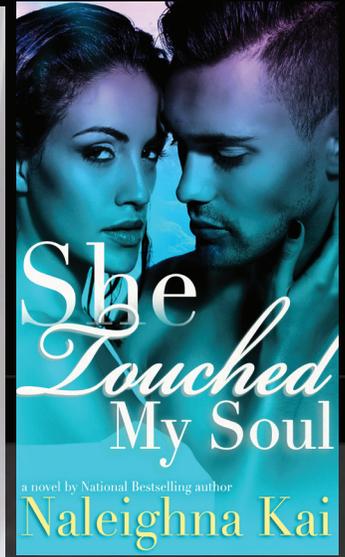

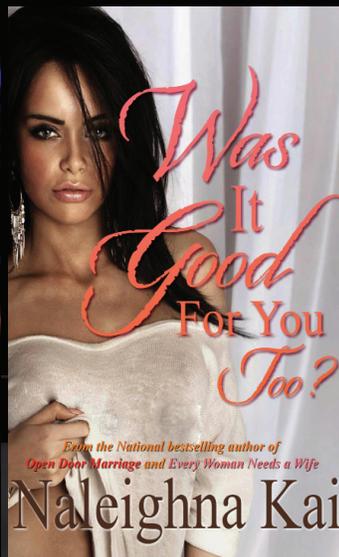

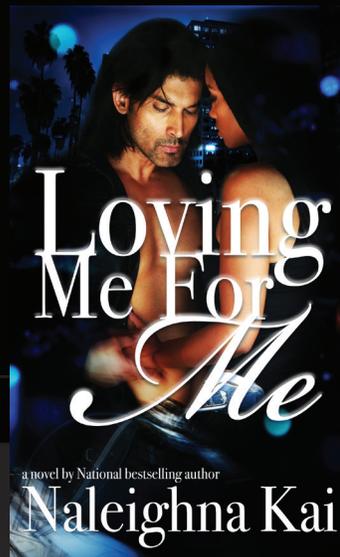

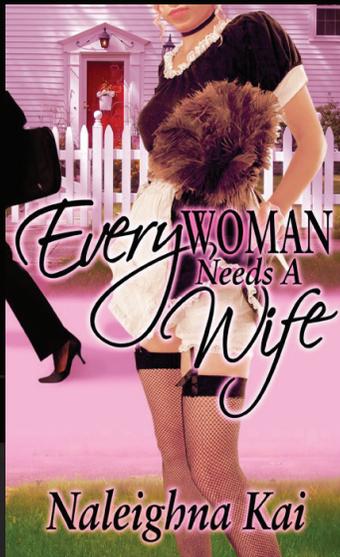

Additionally, she is Editor-in-Chief for Naleighna Kai's Literary Café Magazine and Acquisitions editor for NK Recommends—a mail order book service that caters to a select audience of readers. She was born and raised on the Southeast side of Chicago, the setting for most of her novels and where she is currently working on her next books: *Slaves of Heaven* and *Mercury Sunrise*.

A woman can have it all: a career, children,
a not-so-perfect husband . . . and his mistress.

Contemporary fiction

SIMON & SCHUSTER

Bursting with originality and controversy, author Naleighna Kai has created a provocative, and at times heartwarming tale about an age-old problem that will strike a chord with all women.

Every Woman Needs a Wife is the hilarious, but thought-provoking story of a wife who does the “unthinkable.” Strolling in on Vernon and his mistress one night, Brandi Spencer insists that the new woman in his life come home and earn her keep the honest way -- on her feet helping the wife clean the house, keep the children and pay the bills, instead of laying on her back servicing the husband.

Tanya Kaufman has had one shock too many -- one minute she's a fiancée, the next she finds out she's been the mistress all along. When Tanya shows up during the surprise anniversary party to take Brandi up on her offer, the women seize the opportunity to teach Vernon that infidelity will no longer come at the expense of the women's time, money, and happiness. Vernon fights back by launching a high-profile court battle that doesn't have a thing to do with splitting the money, keeping the house, or visitation rights.

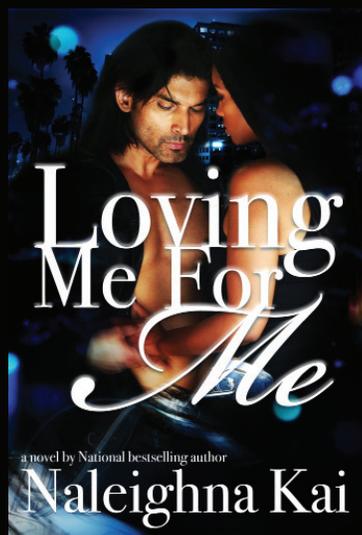

Had any married couple ever fought for custody of...the mistress?

“Wild...an awesome ride! After reading Every Woman Needs a Wife, I knew I needed one too!” --L.A. Banks, New York Times Bestselling author

“What Naleighna Kai has done with this book--this story line--is create a work of imaginary genius.” --Zane, New York Times Bestselling author

Will this May-December romance survive her tragic past, his traditional family, and those who would rather see them dead than in love?

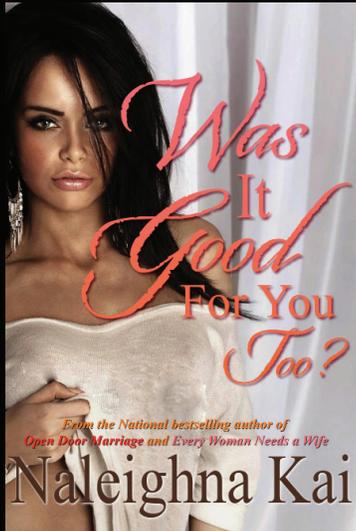

Contemporary fiction

Though Devesh's culture and status along with a secret Reign planned to take to her grave has kept them apart for nearly five years; a chance meeting brings them face-to-face once again. This time, Devesh, a wealthy Californian bachelor, is determined to be with Reign despite his family's wishes. The couple has more at stake, forcing them to confront their deepest fears, overcome unforeseen obstacles, and challenge the media as well as enemies who are closer to home.

Devesh finds ingenious ways for them to manage their rocky relationship terrain since Reign's heartbreaking life has left her with the kind of trust issues that resurface along with a few "reckless exes." He soon puts everyone on notice that he believes love is 'til death do us part—even if Devesh has to send someone to an early grave to protect her.

Sometimes sharing can be a good thing.
And then again . . .

Contemporary fiction

In this national bestseller, Tailan and Delvin complicated their lives by bringing another woman into the relationship to bear his children. Once the surrogate was two months along, she turned the tables by issuing a heartbreaking ultimatum. When threatened with losing the family he'd always wanted, Delvin felt he had no choice but to marry the surrogate and send his high school sweetheart packing, even though he loved her more than life itself.

Now seven years later on a Midwest book tour, fate has given Delvin four days to right old wrongs, and he'll use everything in his power to win Tailan back. Unfortunately, Tailan is harboring a secret that she's kept not only from him but from the entire world. Delvin's determination to have her will give him two choices—either share Tailan with another man or walk away from the strongest love he's ever known.

"I could not put it down. This book was intense, complex, emotional, yet relatable. It challenges culture and traditions. The author conveyed the story in a way that allowed you to understand the past and future of the main characters. I highly recommend this book it will take you on a emotional roller coaster with a wide variety of topics. Embrace yourself for the journey...everyone has some dysfunctional family and friends. I would read this book again."

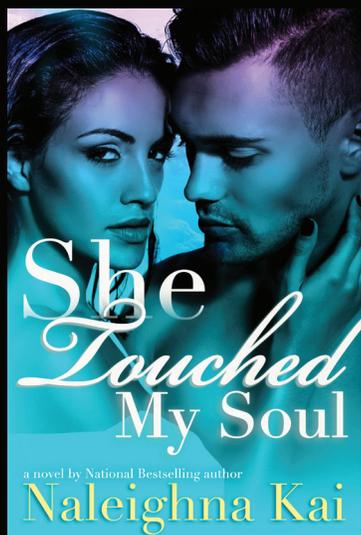

--Southern Hospitality, Brooklyn, New York

This story of love lost, replaced and found again has so many things packed into it beyond the actual story ... Often when stories touch on so much, I get distracted and lose sight of what the story actually is. This book, however, was paced perfectly so everything fit together like a puzzle. I laughed, cried and was left in awe of the craftiness of Kai's book. Love story that touches on racism, interracial relationships, generational situations, cultural situations, different marriage types, merging families. Wow. Well done. Excellent read.

Inspiration will always come when you need it most . . .

Contemporary fiction
#1 Bestselling Novel

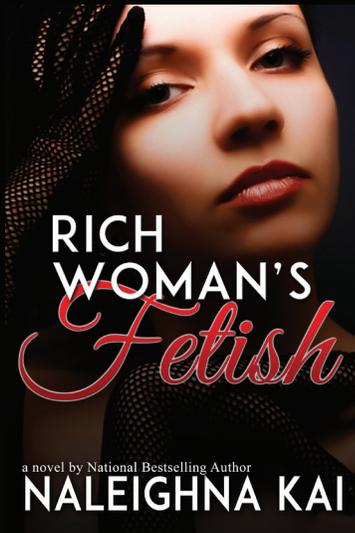

A chance encounter lands NBA star Dallas Avery back in the arms of the woman of his dreams. A woman he hasn't seen in years. A woman he soon discovers just so happens to be his fiancée's aunt! But Dallas' fiancée, Tori, isn't ready to give up all that she's worked for, so she makes him a shocking offer - go through with the wedding and she'll still allow him to be with the one woman he now can't seem to do without. Dallas will get a family, something her much older aunt, Alicia can't give him. Tori will get the lifestyle she clamors. And Alicia will get the love she's longed for all her life. Everyone will get a little of what they want . . . and maybe a whole lot of what they don't.

Be careful what you ask for . . .

The details of the trio's love life play out in the tabloids and on talk shows, making Dallas the center of an NBA scandal. And eventually, the doors slam shut on this open marriage and Dallas is forced to make a choice to end the chaos. But moving on is easier than it looks and by the time all is said and done, secrets will be revealed, passions will be extinguished, and everyone's lives will be forever changed.

One woman's quest
to find a different kind of love.

Contemporary fiction

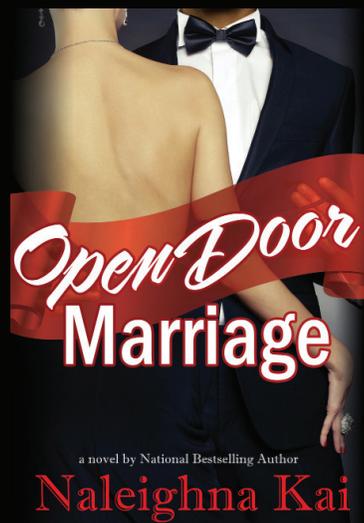

Gina escapes a hellacious life in the infamous Robert Taylor Homes by doing the unthinkable—selling the use of her womb to the highest bidder among rich, childless couples from more affluent areas of Chicago. She even accommodates their “special” requests ranging from participating in forbidden fetishes to more complicated liaisons. Gina uses them to amass a fortune, then sets out to fulfill her own dream, one that is shattered in an instant when a freakish accident steals a gift she has always taken for granted.

Years later, Gina learns that one of her surrogate daughters has been forced into the illicit world of drugs and prostitution. When the police and FBI turn a blind eye, Gina risks the anger of her former sponsors and lovers to have their children help search for their youngest sister. One daughter turns to a drug lord to help locate the fourteen-year-old girl; another puts her career in jeopardy when she seeks justice in her own deadly way. The search puts a dangerous spin on their already chaotic lives as the women learn more about trust and love and how to depend on each other to do the impossible.

Gripping. Edgy. Unique. Powerful. Dynamically crafted.
--Joyce A. Brown, national bestselling author

The details of the trio's love life play out in the tabloids and on talk shows, making Dallas the center of an NBA scandal. And eventually, the doors slam shut on this open door marriage and to end the chaos, Dallas is forced to make a choice. By the time all is said and done, secrets are revealed, passions will be extinguished, and everyone's lives will change forever.

"Needless to say, the author, Naleighna Kai, delivered in a major way. I love that she continues to take risks with stories that revolve around relationships, and they are never the same ole relationship stories that we tend to read over and over again. We can always expect shocking and uniquely written storylines with unexpected twists and turns. And the one thing we are guaranteed from this author is a darn good read."

Self-help

This is the one book most authors wished they had before they took a bite of the publishing apple. USA Today Bestselling author, Renee Bernard; National Bestselling author, Naleighna Kai; Award-winning authors J. L. Woodson, Martha Kennerson, Susan D. Peters, L. A. Lewis, and Janice Pernel; along with D. J. McLaurin, Joyce A. Brown, Valarie Prince, Candy Jackson, and Tanishia Pearson-Jones share their insight, wisdom, and their publishing journeys—from self-publishing to signing with independent publishing houses to landing deals with the major houses and achieving nationwide success. Though each author took a different road, what they all have in common is the desire to share their experiences so that aspiring writers can make informed decisions about the best path to take and learn from the mistakes they made along the way. If this book does not inspire you to get off your butt and write ... nothing will.

Nine authors, including national bestsellers and award-winners, bring the romantic heat with stories featuring leading men who are at your service from the military, law enforcement, and civil service. The leading ladies, professionals who are successful in their own rights, are all posing the type of challenge that means love won't come easy—these men are going to have to work for it. Will they succeed in winning their woman's heart?

These nine stories are a little bit naughty and a little bit nice, but we hope you'll find them every bit of enjoyable. Most women can appreciate a man in uniform ... perhaps even more so when the uniform comes off.
