The floor plan illustrates a symmetrical two-story residential layout. The central portion of the house contains a common hallway and a central foyer. On the left side, there is a 2-car garage (524 sq. ft.) and a bedroom (BEDROOM#2). On the right side, there is a 2-car garage (546 sq. ft.) and a bedroom (BEDROOM#2). The upper level features a family room, dining room, kitchen, and sunroom. The lower level includes a bathroom, laundry room, and a mud room. The plan also shows a central hallway, a foyer, and a covered porch. The layout is designed for two identical units, each with its own set of rooms and a private entrance.
