Palmetto Ridge High School (pictured in green) and Avalon Elementary School brought 55 and 65 kids respectfully on Friday to the Courts and enjoyed a couple of hours of pickleball play, exhibition and lunch. A special thanks to all those who helped run the event and a special shout out to Rachel Koral (pictured to left), a teacher at Palmetto Ridge (and pickleball instructor here) as well as principal Linda Walcott from Avalon (who allows us each year to park on their playground during the Open) for helping to organize this fun day for the kids. We hope to see you playing in The OPEN one day.

Saturday's Pro Clinics were a big hit!
