WHAT IS ZOMBIE THE CARD GAME?

HISTORY

Many People already have the foundational skills to play Zombie The Card Game. Zombie The Card Game is based on a classic game that goes by many names including Presidents, Asshole, Scum and Capitalism which all originated from a Japanese game called Daifugo. Once you Play Zombie The Card Game you will not go back to any other form of this style of cardplay. Zombie The Card Game solves the inherent flaws of the games mentioned above and add thrills with the additional cards added to the deck. American kids have been playing some form of this game since the 80's with little innovation. We have a built in market ready to be tapped!

WHAT IS ZOMBIE THE CARD GAME?

GAMEPLAY

Zombie The Card Game is the Game of Sets! Deal out all the cards. Start play by the lead player playing their choice of a single or set of matching cards. Play will continue with the next player having the option to pass or play a higher single/set of matching cards. The player who wins the round by playing the highest card/set starts the next round. The first player to get rid of all their cards wins the hand and becomes the President. The last player to get rid of their cards becomes the Zombie. In each round the Zombie is punished and the president is rewarded. Win the presidency three times to win the game and stop the zombie apocalypse. Don't forget about the zombies. The addition of zombie cards is sure to help threaten your presidency.

Most new entries into the card game category are priced at \$25/unit or higher. This makes our price point of \$15 CAD very attractive for casual game players, children, gift givers and hesitant buyers. We aim to reach an MSRP comparable to Wizard and Skip Bo as we tighten up our supply chain process and capitalize on volume growth.
