

Foster a rescued kitty.

Provide a temporary home for kittens or adult cats while we find them a forever one.

This is a great way to enjoy having cats in your home without a permanent committment.

Be part of the solution to the overpopulation problem.

We will help you every step of the way.

The Cats' Cradle, a Unifour nonprofit, no-kill cat rescue, is operated solely by volunteers housing cats and kittens in their own homes. Cats' Cradle volunteers provide shelter, care, and socialization for homeless kitties.

Every year, hundreds of thousands of stray and unwanted companion animals are euthanized in North Carolina, largely because these orphans have no safe haven in which to rest until homes are found.

Please open your heart and home to one or more cats or kittens.
Call Lynda @ (828) 433-4925.
