

Privacy Policy

Effective Date: January 9, 2026 Last Updated: January 9, 2026

Introduction

Simpex ("we," "our," or "the app") is committed to protecting your privacy. This Privacy Policy explains how we handle your information when you use our iOS application for tracking recurring expenses.

Information Collection and Storage

What We Collect

Simpex does not collect, transmit, or store any personal information on external servers. All data you enter into the app is stored locally on your device using Apple's Core Data framework.

What We Don't Collect

We do not collect:

- Personal identification information (name, email, phone number)
- Financial account credentials or banking information
- Location data
- Device identifiers for tracking purposes
- Analytics or usage statistics
- Advertising data

Notifications

Local Notifications

Simpex uses iOS notification services to send payment reminders and alerts. These notifications:

- Are generated and stored locally on your device
- Do not transmit data to external servers
- Can be managed or disabled through iOS Settings
- Require your explicit permission during initial app setup

Data Security

Local Storage

- All data is encrypted using Apple's standard Core Data encryption
- Data remains on your device and iCloud account (if enabled)
- We cannot access, view, or retrieve your data

No Third-Party Services

Simpex does not use:

- Third-party analytics services
- Advertising networks
- External databases or servers
- Social media integrations that share data

Your Rights and Control

You have complete control over your data:

- Access: All your data is accessible within the app
- Modification: You can edit or delete any expense records at any time

- Deletion: Deleting the app removes all local data from your device

Children's Privacy

Simpex does not knowingly collect information from children under 13. The app is rated for general audiences and contains no age-restricted content.

Changes to This Privacy Policy

We may update this Privacy Policy from time to time. Any changes will be reflected in the app and on this page with an updated "Last Updated" date. Continued use of the app after changes constitutes acceptance of the revised policy.

Data Retention

- Local Data: Retained until you delete it or uninstall the app
- Notifications: Automatically removed after delivery or expiration

Third-Party Links

This privacy policy applies only to Simpex. If you access third-party websites or services through the app (such as support links), those services have their own privacy policies.

Contact Us

If you have questions or concerns about this Privacy Policy or our privacy practices, please contact us:

Developer: Melisa Öztürk
Email: support@simpex.app

Consent

By downloading and using Simpex, you consent to this Privacy Policy and our data handling practices as described above.
