DECEMBER 2025

Our December meeting was the club's annual Christmas Holiday Party last night. It was an evening full of laughter, festivities, and camaraderie, all thanks to you.

We began with a short business meeting, to conduct our annual officer's election. The leadership team was reelected for a two-year term.

President David Freeman organized the performers, food, and schedule of events. Vice President Craig Fennessy preserved the memories with photography and behind the scenes organization. Secretary Dennis Phillips was the usual scribe documenting events and performances in detail. Phil Schwartz created and hosted the mind challenging Magic History Trivia contest with gift cards as prizes. It was over the top amazing, and we recognize that Phil put a lot of effort and time into making it just right and fun for us attendees.

Treasurer Jacki Manna hosted the party and quizzed everyone on scrambled Christmas song titles.

Our performers were: Mark Fitzgerald, with a Christmas card trick, David Freeman with a unique Bank Night effect with small boxes and a die. , Bob Swadling with a diary effect revealing the wrong card that went up in a flash becoming the correct chosen card, and Paul Thomey, did his card wizardry . Gunnar is the stage name of Matt Kelley and he did some fabulous Dean Dill inspired rope penetrations. We had a White Elephant Gift Exchange . It was all laughs and surprises. The finale was an awesome Disney Magic Kit, that was gifted to Camille, our youngest and spunkiest member. She was over the moon. The way this gift was presented was true magic. You had to see it to believe it, even though it was hard to believe. Thank you to Jacki Manna for helping with this report.
