A GUIDE TO BUYING YOUR DREAM HOME REMOTELY

1 VIRTUAL CONSULTATION

We can schedule a meeting over Zoom, Skype, or Google Hangouts to get to know you, discuss the home buying process and learn about your real estate needs. From there, we will set up a strategy to find you your dream home.

2 HOME FAVORITES

We will use our expertise and market knowledge to send you customized listing alerts matching your criteria.

3 VIRTUAL SHOWINGS

We will schedule virtual showings of your favorite properties and will even videocall you to walk through properties with you and answer any questions that you may have.

4 E-SIGNATURES

You will be able to review and submit offers/counter-offers electronically from the comfort of your home.

5 INSPECTIONS

The inspector will send the buyer a detailed report with pictures and descriptions so that you don't have to be there in person, reducing contact and keeping people safe.

6 EARNEST MONEY DELIVERY

You will have the option to mail earnest money or have us pick up a check from your home.

7 CLOSING DAY

We will recommend a few title companies that can make closing remote for you. You'll be able to sign some documents electronically or in person, but in an isolated area. We will give you the keys to your new home and congratulate you from 6 feet away!
